5 C Hero Michael G. D'Aloisio, 2009-12-02 5 C Hero is the inspirational story of Joel Stephens a truly gifted athlete and devout Christian who lived the values of Christianity Courage Compassion Character and Commitment With the brightest of futures ahead of him Stephens lost his battle with a rare form of cancer in 1998 at the age of 22 D'Aloisio as coach mentor and friend knew Stephens better than most In this book he chronicles the record setting athletic exploits of Joel throughout his high school years as well as his professional career as a baseball player in the Baltimore Orioles organization and his decision to accept a scholarship to play Division I football for Syracuse University In many ways Joels story parallels that of Ernie Davis the Elmira Express who was the first African American to win the Heisman Trophy More important than any athletic achievements Joels faith and his concern for others are the qualities that define Joel Stephens D'Aloisio takes the reader on a painful odyssey as Joel accepts his illness yet valiantly struggles to overcome it This tragic story is told with humor intensity and great warmth It is remarkable that Stephens touched so many lives in such a short period of time Even after his death his legacy continues to grow through the Joel Stephens Foundation and other charitable organizations and events held in his honor For those who knew Joel this book will bring them even closer to an old friend for those who never had the opportunity to meet Joel in person this book will help you realize what you missed *The First Time Ever* Jan G. Otterstrom Fonnesbeck, 2012-01-10 Oh how the truth does bite After class had closed standing by the desk of my seventh grade teacher I was receiving a large spoon full of that bitter but necessary medicine called truth Well now Freddy Maguyser Tarrant said the crotchety old Irish teacher Here you are showing up on your first day at this school for the blind with all the qualifications that should send you straight back to the fourth or fifth grade However since you are twelve years old I ll give you just one chance to buckle down and work your way out of your abysmal condition of ignorance Just in this first day of class I have learned that you have no understanding of numbers and most remarkably you do not even know the alphabet You must have been living in a cave Furthermore it is inconceivable that the teachers you have had in the past have brought you to this point knowing so little They too must have lived in caves Standing silently by Miss Feelin s desk I felt a deep and overwhelming sense of dread and yet a deeper sense of burning shame I knew in my heart of hearts that what she said was true Two hundred miles from home in a boarding school for the blind knowing nothing I thought when Miss Feelin said Now here is a poem in braille Freddy that you must learn by heart and recite before the class on Friday and no excuses This poem is entitled To a Waterfowl by William Cullen Bryant and in this poem there are five words in particular that you must remember to your dying day yes to your dying day These five words are Lone wandering but not lost I repeat Lone wandering but not lost and you must never ever forget these words These five words burst from old Miss Feelin with a nerve shattering shriek with her knuckles banging on her desk top for emphasis Now you remember what I ve told and be off to your next class for you remind me of an Irish fiddle all strings and no bow I expect that every vagrant breeze that comes along will have

its way with you That was 1938 and now it is seventy three years later And yes I did learn those miserable numbers and even learned the alphabet Those five words Lone wandering but not lost have stood me in good stead and yes these vagrant breezes rushing down from these old old hills around Palmares Costa Rica do have their way with me They touch the strings of my heart and set the memories to dancing I invite you to read reflect and enjoy the First Time Ever **Life Still Goes on** Curtis L. Hayes,2013-06-05 Would you believe that several years ago my life was completely devastated to the point of giving up all hope That is when God s grace and mercy inspired me to turn the terrible catastrophe into an opportunity to write Life Still Goes On an exciting thrilling incredible fascinatingly extra ordinary unbelievable story of my life A father grandfather and great grandfather my experiences as a former public school teacher a former pastor in the United Methodist Church a former missionary with the Sudan Interior Mission in Liberia West Africa and a former substitute teacher with the Roswell Independent School District will be included in this book I have to laugh sometimes because my life has been like the rides at an amusement park up and down and up and down and around and around as Life Still Goes On by Curtis L Hayes I purchased a coffee cup in the thrift store for 10 cents and this is what it said CURTIS A likeable fellow Many favors he s done Patience his virtue The courteous one John Piatt I have never met Mr Piatt but he summarized my life up pretty good Like an eagle that soars high and swoops down low to catch an animal My life seems to have been much like that Up and down back and forth round and round I would go I loved the roller coaster the most At 81 years of age I am still enjoying the rides God inspired and allowed me to write the remarkable autobiography Life Still Goes On by Curtis L Hayes **Grade 8 - English**

journey of an American girl first in childhood and throughout her adolescence into adulthood During the tumultuous decades of a rapidly changing culture from postWorld War II and into the 1980s she took on every challenge in her way A young girl who grew up ahead of her time feeling she never really fit into any of the molds or cultural expectations of her surroundings she jokes I never really knew what a scofflaw was until I realized I was one She forged her own path through childhood as a tomboy and into the fast paced turbulent youth revolt of the 60s In the vanguard of a massive societal movement constantly questioning authority and finding comfort in the fog of drugs and alcohol she moved about from Manhattan to Mexico City to central Washington State to eventually return to her native Northern California Bay Area Working a number of nontraditional jobs while navigating law school she ultimately cleared the hurdles of becoming Oakland Fire Department s first woman firefighter in 1980 Episodes is a thoughtful sometimes racy self examination of the transformation of a young woman from a refusal to conform to eventual determination to embrace the journey to herself Ralph Branca and the Meaning of Life Bob Mitchell,2025-08-29 Much ink has been spilled on Ralph Branca Bobby Thomson and the famous Miracle at Coogan s Bluff pennant playoff game in October of 1951 The present work is a novel approach to the history and context of this venerated game never before attempted in such terms This book considers that Dodgers pitcher and that uniquely dramatic game as actual metaphors for the human condition In this thought provoking odyssey the author unpeels the metaphorical layers of this baseball onion by discussing the profound psychological effects of winning and losing in America the concepts of shame hope injustice failure and luck and Branca as a conflicted and complex flawed yet sympathetic Everyman And finally by comparing Ralph s situation surprisingly and revealingly to similar crimes and punishments in world literature from Biblical icons Adam and Job to the protagonists of Sophocles Hawthorne Dostoevsky Kafka and Camus This work of baseball history and analysis stands as the only endeavor of its kind demonstrating the universality of America s game to the human condition
