stories only later being combined into a three part volume This is the second in the trilogy of stories and begins seven months after the escapees crash land on a mysterious island They are just trying to stay alive and survive against the indigenous wildlife and inherent dangers the island brings They also have been building a boat with the idea of sailing off the island This edition features 51 restored illustrations accompanying the text that was carefully translated in Verne s own time along with a full page map of Lincoln Island the site of their new life

The Mysterious Island Jules Verne,2015-06-03 This book is the second volume of the three volumes entitled Dropped from the Clouds The Abandoned and The Secret of the Island After flying in stormy weather for several days the group crash lands on a cliff bound volcanic unknown and fictitious island described as being located at 34 57 S 150 30 W about 2 500 kilometres 1 600 mi east of New Zealand In reality the closest island is Marotiri located at 27 55 S 143 26 W In location and description though the phantom island Ernest Legouve Reef may correspond to the rock that is left of the mysterious island at the end of the novel They name it Lincoln Island in honor of their president Abraham Lincoln With the knowledge of the brilliant engineer Smith the five are able to sustain themselves on the island producing fire pottery bricks nitroglycerin iron a simple electric telegraph a home on a stony cliffside called Granite House and even a seaworthy ship They also manage to figure out their geographical location Verne was born to bourgeois parents in the seaport of Nantes where he was trained to follow in his father s footsteps as a lawyer but quit the profession early in life to write for magazines and the stage His collaboration with the publisher Pierre Jules Hetzel led to the creation of the Voyages Extraordinaires a widely popular series of scrupulously researched adventure novels including Journey to the Center of the Earth Twenty Thousand Leagues Under the Sea and Around the World in Eighty Days Verne has been the second most translated author in the world since 1979 ranking between the English language writers Agatha Christie and William Shakespeare he was probably was the most translated during the 1960s and 1970s He has sometimes been called The Father of Science Fiction a title also often given to H G Wells and Hugo Gernsback

The Abandoned Jules Verne,2020-03-15 Conversation on the Subject of the Bullet Construction of a Canoe Hunting At the Top of a Kauri Nothing to attest the Presence of Man Neb and Herbert s Prize Turning a Turtle The Turtle disappears Cyrus Harding s Explanation It was now exactly seven months since the balloon voyagers had been thrown on Lincoln Island During that time notwithstanding the researches they had made no human being had been discovered No smoke even had betrayed the presence of man on the surface of the island No vestiges of his handiwork showed that either at an early or at a late period had man lived there Not only did it now appear to be uninhabited by any but themselves but the colonists were compelled to believe that it never had been inhabited And now all this scaffolding of reasonings fell before a simple ball of metal found in the body of an inoffensive rodent In fact this bullet must have issued from a firearm and who but a human being could have used such a weapon When Pencroft had placed the bullet on the table his companions looked at it with intense astonishment All the consequences likely to result from this incident notwithstanding its apparent insignificance immediately took

possession of their minds The sudden apparition of a supernatural being could not have startled them more completely

The Top Books of the Year Abandoned Jules Verne The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous compelling novels captivating the hearts of readers worldwide. Lets delve into the realm of popular books, exploring the fascinating narratives that have captivated audiences this year. The Must-Read : Colleen Hoover's "It Ends with Us" This poignant tale of love, loss, and resilience has gripped readers with its raw and emotional exploration of domestic abuse. Hoover skillfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can triumph. Uncover the Best : Taylor Jenkins Reid's "The Seven Husbands of Evelyn Hugo" This spellbinding historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reid's compelling storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens' "Where the Crawdads Sing" This captivating coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens spins a tale of resilience, survival, and the transformative power of nature, entrancing readers with its evocative prose and mesmerizing setting. These popular novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of engaging stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and gripping novel that will keep you wondering until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
