SHE Lenne' Hunt, 2024-02-21 In keeping with the saying the apple doesn t fall far from the tree She explores the femininity found within the Trinity This is where we as women begin to find answers to who we are and what we re meant to be Author Lenn Hunt explains that many things hinder women from coming into the fullness of God the truth of their own identity and an authentic life You might have a tale of woe that stems from your childhood Or perhaps you ve lived as an unmentored woman with no one to speak into your feminine soul and no guide for your journey of becoming Perhaps it s simply from your experience in a difficult world where Eve and her daughters have often been targeted by the evil one sometimes wearing the guise of authority figures from civil government to church leadership school officials and workplace bosses and sometimes speaking through the voice of wounded Adam She offers an invitation to explore the journey of your life and the collective experience of women
