**BLESSINGS FROM MY DEAR UNCLE** I had an opportunity to join Asha at the launch celebrations of AoC India at the British High Commission in New Delhi on 22 January 2013 Asha was leading a team of educationalists from the United Kingdom While in conversation with Ms Susan Pember a senior British education official I said My family and our country are grateful to your nation for bestowing Asha with both opportunity and honour Her reply was Mr Agrawal Britain is grateful to your family and your country for giving us Asha Khemka who is our Queen of Education The statement even today reflects multiple shades of meaning Great Britain embraces talent and quality with gratitude and for this nation a person s contribution and the two nations mutual relations are more important than mere citizenship of the country Today I am very proud of both Asha

and the United Kingdom India's traditional teaching is the creation of great teachers and we feel honoured to see Asha daughter of Bihar carry forward the legacy of the land enlightened by visionaries like Gautama Buddha and Kautilya Chanakya Immense love and blessings to you Asha When we think of Asha's achievements as an educationalist in a land thousands of miles away from her own native land the impossible became inevitable and this has been possible because of her determination dedication and discipline I wish her all the glory and success and congratulate her for bringing in her experience in the form of this book I am confident this book will underscore the integral and eternal relationship of education and educationalist and will inspire the generations to come Ram Sharan Agrawal [INIS Atomindex](#), 1980 [Objective English Answers](#) Walter Reynolds, 1950\* **Objective English** Walter Reynolds, 1952 **Objective Questions and Answers in English** Constance Rulka, 1977 **Objective Questions and Answers in English** C.
