Blank Templates For Data Collection In Classroom:

The Transparent Teacher Trent Kaufman, Emily Grimm, 2013-02-15 A new paradigm for teachers to open their classrooms and cultivate deep professional learning Teaching is an isolating profession Most educators receive minimal feedback on their craft typically limited to one or two short visits from the administrator each year While some schools do encourage their teachers to observe peers the usual protocol is for new teachers to watch the veteran exemplary educators but those less experienced educators could benefit immensely from having peers observe them in action Teacher Driven Observation is unique in that it places the observed teacher as leader of the work the one who identifies a personal area for development engages her colleagues in the collection of classroom data and utilizes the data collected to inform her ongoing instruction Offers a new model for collecting data to inform and improve individual instruction Includes a step by step process for implementing Teacher Driven Observations Contains a comprehensive case study that clearly demonstrates the value of the Teacher Driven Observation model This book outlines and illustrates a step by step process for breaking down professional isolation and cultivating opportunities for meaningful learning through the Teacher Driven Observation process

School Portfolio Toolkit Victoria Bernhardt, 2013-10-02 The School Portfolio Toolkit is a book that includes over 300 tools strategies templates and examples for use in building school portfolios and for planning implementing and evaluating continuous school improvement The Toolkit was written to support school personnel with the mechanics of putting together a school portfolio as well as to offer processes and strategies to move whole school staffs into and through continuous improvement The tools in the Toolkit will help staffs create implement and maintain school portfolios and begin the journey of continuous improvement Each chapter deals with one topic related to the school portfolio and comprehensive school improvement with related documents and tools The School Portfolio Toolkit book provides templates tools examples and strategies that will help you analyze your school s data create a vision that is truly shared by the school staff build a continuous school improvement plan to implement the school vision formulate a leadership structure to implement the vision involve parents community and business in implementing the vision embed up to forty different powerful professional development designs into your school plan evaluate your continuous school improvement work and create a School Portfolio that will organize and serve as a framework for the continuation of this work

The Distributed Leadership Toolbox Mark E. McBeth, 2008-02-19 McBeth provides useful tools to help educators diagnose the distribution of leadership in their schools and shows how these tools can help create powerful leadership for increasing learning capacity in schools Richard Halverson Assistant Professor University of Wisconsin Madison The strengths of this book are the examples two minute stories reflections etc and the reproducible tools provided Bruce Deterding Principal Wichita Heights High School KS Strengthen your leadership style and capacity to inspire others toward meaningful change Experience and research prove that effective leadership is critical for improving school performance yet reviewing and applying contemporary data to school

leadership can be a complex challenge for busy administrators In *The Distributed Leadership Toolbox* Mark E McBeth translates current leadership research into a practical framework to help educational leaders improve their practice and positively influence schoolwide performance Unlike shared leadership which focuses on delegating responsibilities distributed leadership fosters a dialogue between school leaders and teachers to uncover the effectiveness of leadership practices in enhancing instruction and student achievement The author provides case studies and essential tools to help administrators Increase the ability to evaluate their leadership practice Develop a regular reflective practice to motivate staff and support professional growth Improve their potential to generate and sustain school reform efforts This guidebook includes helpful notes for facilitators and a CD ROM with resources and reproducible templates to help you make a significant difference in your school through distributed leadership practices
