The Timeless Textbook Dr. E. Lee Duncan, 2022-11-03 The Timeless Textbook is an educator's look into God's plan for education as revealed in the Old Testament Book of Proverbs. The premise of this book is that God inspired Solomon and others to create a textbook for students to use as they were taught by parents or by instructors in Solomon's palace. The Book of Proverbs looks at the teaching-learning process and explores the roles of parents, teachers, students, and authorities. This timeless textbook is applicable to students of all ages and is just as relevant today as when it was written close to three thousand years ago.
