## A Wise Man Sleeps Vol 2 V

**John GILL (D.D., Baptist Minister, at  
Horsley Down.)**

## **A Wise Man Sleeps Vol 2 V :**

*The Viking Age Vol.2 (of 2) (Illustrations)* Paul B. Du Chaillu, While studying the progress made in the colonisation of different parts of the world by European nations I have often asked myself the following questions How is it that over every region of the globe the spread of the English speaking people and of their language far exceeds that of all the other European nations combined Why is it that wherever the English speaking people have settled or are at this day found even in small numbers they are far more energetic daring adventurous and prosperous and understand the art of self government and of ruling alien peoples far better than other colonising nations Whence do the English speaking communities derive the remarkable energy they possess for the people of Britain when invaded by the Romans did not show any such quality What are the causes which have made the English such a pre eminently seafaring people for without such a characteristic they could not have been the founders of so many states and colonies speaking the English tongue In studying the history of the world we find that all the nations which have risen to high power and widespread dominion have been founded by men endowed with great I may say terrible energy extreme bravery and the love of conquest being the most prominent traits of their character The mighty sword with all its evils has thus far always proved a great engine of civilisation To get a satisfactory answer to the above questions we must go far back and study the history of the race who settled in Britain during and after the Roman occupation We shall thus find why their descendants are to day so brave successful energetic and prosperous in the lands which they have colonised and why they are so pre eminently skilled in the art of self government We find that a long stretch of coast is not sufficient though necessary to make the population of a country a seafaring nation When the Romans invaded Britain the Brits had no fleet to oppose them We do not until a later period meet with that love of the sea which is so characteristically English not before the gradual absorption of the earlier inhabitants by a blue eyed and yellow haired seafaring people who succeeded in planting themselves and their language in the country To the numerous warlike and ocean loving tribes of the North the ancestors of the English speaking people we must look for the transformation that took place in Britain In their descendants we recognise to this day many of the very same traits of character which these old Northmen possessed as will be seen on the perusal of this work Britain after a continuous immigration which lasted several hundred years became the most powerful colony of the Northern tribes several of the chiefs of the latter claiming to own a great part of England in the seventh and eighth centuries At last the time came when the land of the emigrants waxed more powerful more populous than the mother country and asserted her independence and to day the people of England as they look over the broad Atlantic may discern a similar process which is taking place in the New World The impartial mind which rises above the prejudice of nationality must acknowledge that no country will leave a more glorious impress upon the history of the world than England Her work cannot be undone should she to day sink beneath the seas which bathe her shores her record will for ever stand brilliantly illuminated on the page of history The great states

which she has founded which have inherited her tongue and which are destined to play a most important part in the future of civilisation will be witnesses of the mighty work she has accomplished They will look back with pride to the progenitors of their race who lived in the glorious and never to be forgotten countries of the North the birthplace of a new epoch in the history of mankind To be continue in this ebook      **Brenton's Septuagint, Apocrypha, Restored Names Version,**

**Volume 2** Clinton R. Smith,2016-06-07 Brenton's Septuagint Apocrypha in modern English delivers the Apocrypha that the New Testament writers read and was that the authoritative Scripture of the early Church Adding the original Hebrew names gives this work the same flavor of Hebrew Scripture that the Messiah and his disciples heard and read Most importantly the name of our Creator has been restored 140 pages printed in large type on brilliant white bond paper ensures ultimate readability and is comfortably portable Additionally it includes a three page learning objective to encourage Scripture reading      **The Complete Works of C. H. Spurgeon, Volume 2** Spurgeon, Charles,2015-02-23 Volume 2 Sermons 54 106 Charles Spurgeon 19 June 1834 31 January 1892 is one of the church's most famous preachers and Christianity's foremost prolific writers Called the Prince of Preachers he was one of England's most notable ministers for most of the second half of the nineteenth century and he still remains highly influential among Christians of different denominations today His sermons have spread all over the world and his many printed works have been cherished classics for decades In his lifetime Spurgeon preached to more than 10 million people often up to ten times each week He was the pastor of the congregation of the New Park Street Chapel later the Metropolitan Tabernacle in London for 38 years He was an inexhaustible author of various kinds of works including sermons commentaries an autobiography as well as books on prayer devotionals magazines poetry hymns and more Spurgeon was known to produce powerful sermons of penetrating thought and divine inspiration and his oratory and writing skills held his audiences spellbound Many Christians have discovered Spurgeon's messages to be among the best in Christian literature Edward Walford wrote in Old and New London Volume 6 1878 quoting an article from the Times regarding one of Spurgeon's meetings at Surrey Fancy a congregation consisting of 10 000 souls streaming into the hall mounting the galleries humming buzzing and swarming a mighty hive of bees eager to secure at first the best places and at last any place at all After waiting more than half an hour for if you wish to have a seat you must be there at least that space of time in advance Mr Spurgeon ascended his tribune To the hum and rush and trampling of men succeeded a low concentrated thrill and murmur of devotion which seemed to run at once like an electric current through the breast of every one present and by this magnetic chain the preacher held us fast bound for about two hours It is not my purpose to give a summary of his discourse It is enough to say of his voice that its power and volume are sufficient to reach every one in that vast assembly of his language that it is neither high flown nor homely of his style that it is at times familiar at times declamatory but always happy and often eloquent of his doctrine that neither the Calvinist nor the Baptist appears in the forefront of the battle which is waged by Mr Spurgeon with relentless animosity and with Gospel weapons against irreligion

cant hypocrisy pride and those secret bosom sins which so easily beset a man in daily life and to sum up all in a word it is enough to say of the man himself that he impresses you with a perfect conviction of his sincerity More than a hundred years after his death Charles Spurgeon s legacy continues to effectively inspire the church around the world For this reason Delmarva Publications has chosen to publish the complete works of Charles Spurgeon     **The Life of Benjamin Franklin, Volume 2** J. A. Leo Lemay,2006 Representing a lifetime of research this seven volume biography will give readers an unmatched resource for understanding Benjamin Franklin s character and place in American history This second volume chronicles the years of Franklin s success in printing and publishing including his interest in technology and science

**Works of Thomas Manton, Vol. 13 of 22** Thomas Manton,2002-09 The works of Thomas Manton present us with what was most characteristic in the ministry of the English Puritans careful solid warm hearted applicatory exposition of the Scriptures great pastoral concern and a balanced wisdom     **Theological Dictionary of the New Testament, Volume III** Gerhard Kittel,Geoffrey William Bromiley,Gerhard Friedrich,1966-05-06 Substantial articles on 2000 Greek words that are theologically significant in the New Testament Traces usage in classical Greek literature the Septuagint intertestamental texts and the New Testament     *A New and Complete Concordance Or Verbal Index to Words, Phrases, & Passages in the Dramatic Works of Shakespeare with a Supplementary Concordance to the Poems* John Bartlett,1889     **Dictionary of Obsolete and Provincial English** Thomas Wright,2023-10-03 Reprint of the original first published in 1857     [A Commentary on the Old and New Testaments ... Reprinted from the Author's Last Edition. \[Vol. 1, 3\] Edited by ... H. Martin, Etc. \(\[Vol. 2, 4, 5\]by W. Webster. With a Memoir by A. B. Grosart.\)](#) John Trapp,1868     **The Works of Philo Judaeus: Volume I** Philo Judaeus,     *Hours with the Bible, Or, the Scriptures in the Light of Modern Discovery and Knowledge: From Rehoboam to Hezekiah with the contemporary prophets* Cunningham Geikie,1882     **The Holy Bible: Daniel and the minor prophets** ,1876     **An index to the bishop of Lincoln's commentary on the Old Testament** Frederick Henry A. Scrivener,1876     **The China Review, Or, Notes and Queries on the Far East** ,1875     *The China Review, Or, Notes and Queries on the Far East* Nicholas Belfield Dennys,Ernest John Eitel,William C. Barlow,James Dyer Ball,1875     **The New-Brunswick Religious and Literary Journal** ,1829     **A complete body of doctrinal and practical divinity; or, a system of Evangelical truths, deduced from the Sacred Scriptures. A new edition** John GILL (D.D., Baptist Minister, at Horsley Down.),1815     **The Wiley Blackwell Anthology of African American Literature, Volume 2** Gene Andrew Jarrett,2014-01-28 The Wiley Blackwell Anthology of African American Literature is a comprehensive collection of poems short stories novellas novels plays autobiographies and essays authored by African Americans from the eighteenth century until the present Evenly divided into two volumes it is also the first such anthology to be conceived and published for both classroom and online education in the new millennium Reflects the current scholarly and pedagogic structure of African American literary studies Selects literary texts according to extensive research on classroom adoptions scholarship and the

expert opinions of leading professors Organizes literary texts according to more appropriate periods of literary history dividing them into seven sections that accurately depict intellectual cultural and political movements Includes more reprints of entire works and longer selections of major works than any other anthology of its kind This second volume contains a comprehensive collection of texts authored by African Americans from the 1920s to the present The two volumes of this landmark anthology can also be bought as a set at over 20% savings

**“An” Exposition of the Old Testament** John Gill, 1810

**The Return of Astraea** Frederick A. de Armas, 2021-03-17 In classical mythology Astraea the goddess of justice chastity and truth was the last of the immortals to leave Earth with the decline of the ages Her return was to signal the dawn of a new Golden Age This myth not only survived the Christian Middle Ages but also became a commonplace in the Renaissance when courtly poets praised their patrons and princes by claiming that Astraea guided them The literary cult of Astraea persisted in the sixteenth century as writers saw in Elizabeth I of England the imperial Astraea who would lead mankind to peace through universal rule This and other late flowerings of the Astraea myth should not be taken as the final phases of her history Frederick A de Armas documents in this book what may well be the last great rebirth of Astraea one that is probably of greater political religious and literary significance than others previously described by historians and literary critics The Return of Astraea focuses on the seventeenth century Spanish playwright Pedro Calder n de la Barca and analyzes the deity s presence in thirteen of his plays including his masterpiece La Vida es Sueho Her popularity in this period is partially attributed to political motives reflecting the aspirations and fears of the Spanish monarch Philip IV In this broad study grounded on such diverse fields as astrology iconography history mythology and philosophy de Armas explains that Astraea adopts many guises in Calder n s dramas Ranging from the Kabbalah to Platonic thought and from satires on Olivares to cosmogonic myths he analyzes and reinterprets Calder n s theater from a wide range of perspectives centered on the playwright s utilization of the myth of Astraea The book thus represents a new view of Calder n s dramaturgy and also documents the popularity and significance of this astral imperial myth during the Spanish Golden Age
