Robert W. Pazmino

A Woman's Place Equal Partnership In Daily Ministry:

A Woman's Place Judith Ruhe Diehl, 1985-01-01 By What Authority Do We Teach? Robert W. Pazmino, 2002-04-29 To reject power and its legitimate use is ultimately to reject God's gift and intention for Christians as we live in the world writes Robert W. Pazmino. He defines what authority is and how it is perceived by and operates in various Christian communities. He applies these factors and the need for confident authoritative teachers specifically to the ministry of Christian education. By What Authority Do We Teach completes a trilogy covering key elements of evangelical education. Also in print are *Foundational Issues in Christian Education* an agenda of theological, sociological, psychological, curricular and other concerns and *Principles and Practices of Christian Education* which integrates conversion and connection into the teaching task.

Authority Vested Mary Todd, 2000 Like other major Protestant denominations in the United States the 2.6 million member Luther Church Missouri Synod LCMS founded in 1847 has struggled with issues of relevance and identity in society at large. In this book Mary Todd chronicles the history of this struggle for identity in the LCMS critically examining the central often contentious issue of authority in relation to Scripture, ministry and the role of women in the church. In recounting the history of the denomination Todd uses the ministry of women as a case study to show how the LCMS has continually redefined its concept of authority in order to maintain its own historic identity. Based on oral histories and solid archival research *Authority Vested* not only explores the internal life of a significant denomination but also offers critical insights for other churches seeking to maintain their Christian distinctives in religiously pluralistic America. **Lutheran Woman Today**, 1988 **Daughters of Sarah**, 1987 *Church and Society, Ecumenical Perspectives* Paul Abrecht, 1985

It is designed for use by classroom teachers, curriculum coordinators and principals. Each mini unit can readily be converted into a workable lesson plan. As a practicing educator you are well aware of the excitement and spirit that are usually generated in the classroom when holidays, festivals and special days are appropriately observed. Now more than ever educators like yourself are beginning to realize that the celebration or remembrance of a special event, historical anniversary or birthday can readily become a catalyst for integrating positive citizenship themes into the instructional program. You will find that your students will enjoy learning about the early origins of special holidays. They will be enriched by the tracing of their development from past to present.
