The Most Holy Trinosophia and the New Revelation of Divine Feminine Robert Powell, 2000 The rising interest in goddess spirituality expresses our current need to understand the feminine side of God the Sophia or Divine Wisdom and her relationship to the masculine aspects of God Offering a new perspective the author draws on his own research and on the teaching of Russian philosopher Pavel Florensky according to whom Sophia has a relationship to the masculine Trinity as an independent spiritual being Robert Powell discusses Sophia as a Trinity as Mother Daughter and Holy Soul and as the feminine aspect of Divine Godhead He connects our reawakening to the feminine aspect of God with many of the changes now taking place in the world Also included is an introduction to the Divine Feminine by Daniel Andreev author of *The Rose of the World*

The Image of the Feminine in the Poetry of W.B. Yeats and Angelos Sikelianos Anastasia Psoni, 2018-12-19 Modernism as a powerful movement saw the literary and artistic traditions as well as pure science starting to evolve radically creating a crisis even chaos in culture and society Within this chaos myth offered an ordered picture of that world employing symbolic and poetic images Both W B Yeats and Angelos Sikelianos embraced myth and symbols because they liberate imagination and raise human consciousness bringing together humans and the cosmos Being opposed to the rigidity of scientific materialism that inhibits spiritual development the two poets were waiting for a new age and a new religion expecting that they themselves would inspire their community and usher in the change In their longing for a new age archaeology was a magnetic field for Yeats and Sikelianos as it was for many writers and thinkers After Sir Arthur Evans's discovery of the Minoan Civilization where women appeared so peacefully prominent the dream of re-creating a gynocentric mythology was no longer a fantasy In Yeats's and Sikelianos's gynocentric mythology the feminine figure appears in various forms and like in a drama it plays different roles Significantly a gynocentric mythology permeates the work of the two poets and this mythology is of pivotal importance in their poetry their poetics and even in their life as the intensity of their creative desire brought to them female personalities to inspire and guide them Indeed in Yeats's and Sikelianos's gynocentric mythology the image of the feminine holds a place within a historical context taking the reader into a larger social political and religious space

Wisdom's Daughters Cathy Pagano, 2013-01-24 Wisdom is Women's Gift to the World In the many cultural stories that speak about the changing of the ages it is always Feminine Spirit which brings about the transition to new life for Feminine Spirit knows the rhythms of life death and rebirth and is the opener of the way In times of cultural transformation it is also our right brain feminine consciousness that is our best guide for it opens us to the creative imagination the realm of possibility The return of the Goddess awakens the transformative energy that births the changing of the ages In the western story of worldwide spiritual transformation there is a powerful image of Cosmic Woman an image of the archetypal Feminine Spirit who transforms and gives birth to this new age And her archetypal image gives us instructions for opening to and incarnating wisdom This image of the awakening Feminine Spirit is an image of the Conscious

Thinking and Seeing with Women in Revelation Lynn R. Huber,2013-09-12 Lynn R Huber argues that the visionary aspect of Revelation with its use of metaphorical thinking and language is the crux of the text s persuasive power Emerging from a context that employs imagery to promote imperial mythologies Revelation draws upon a long tradition of using feminine imagery as a tool of persuasion It does so even while shaping a community identity in contrast to the dominant culture and in exclusive relationship with the Lamb By drawing upon the work of medieval and modern visionaries Huber answers a call to examine the way real readers engage with biblical texts Revealing how Revelation continues to persuade audiences through appeals to the visual and provocative imagery she offers a new sense of how the text metaphorical language simultaneously limits and invites new meaning unfurling a range of interpretations

Lions, Locusts, and the Lamb Michael Kuykendall,2019-01-28 The symbolism of Revelation has puzzled readers for centuries Every generation falls prey to extreme views of interpretation Even worse they minimize the importance of John s Apocalypse by not teaching or preaching from it Yet Revelation is a profound work of New Testament theology and warrants a close study John expects and prepares believers to follow the Lamb through suffering and possible martyrdom The problem is centered on what the symbols mean Are they literal Are they symbolic Do the images refer to events and people in the first century or to the last days of planet earth Moreover how is the book structured Is it one vision four visions or more Are the visions linear or recapped Lions Locusts and the Lamb Interpreting Key Images in the Book of

Revelation demonstrates a way to unlock John's structure and unravel his symbols. The key is to follow a logical step by step interpretive approach that accents the historical cultural intertextual extratextual and particularly intratextual allusions and connections. The result is a book that delivers the basic meaning of three hundred images and categorizes them into an accessible guide for teachers preachers and readers of Revelation.

Picturing the Apocalypse Natasha O'Hear, Anthony O'Hear, 2015. An original introduction to the book of Revelation through the use of art history with attention also given to the reception of the text in music literature and popular culture.

Like a Bride Adorned Lynn R. Huber, 2007-06-10. This book engages one set of conceptual metaphors in relation to Revelation's literary and social historical milieu.

The Images of Revelation Peter Scheele, 2021-05-15. The book of Revelation has many clues in it that tell us how it should be understood. These clues include many references to the Old Testament that it's using. By putting these texts from other prophets alongside those of Revelation the true meaning of the images of Revelation become obvious. But also the true meaning of the other prophets becomes clear. This might be a little bit different than what is being thought all over the place today. Revelation is far more about God's plan with Israel Judah than most people would like. Revelation is written while Nero was emperor. Revelation predicted the suicide of Nero and the civil war in Rome that erupted after that. Revelation predicted the destruction of Jerusalem in the year 70. Revelation predicted Hitler and his Third Reich. Revelation predicted the resurrection of the people of Judah that happened in 1948. Revelation predicts that Israel Judah will accept Jesus as Messiah to a large extent. Revelation shows what the true reading of Daniel 12 should be. Daniel 12 shows that the season in which Jesus will come back has already started and this season will end at 2060.
