Internet Comedy Television Series, 1997-2015 Vincent Terrace, 2016-02-25 Created around the world and available only on the web Internet television series are independently produced mostly low budget shows that often feature talented but unknown performers Typically financed through crowd funding they are filmed with borrowed equipment and volunteer casts and crews and viewers find them through word of mouth or by chance The fourth in a series covering Internet TV this book takes a comprehensive look at 1121 comedy series produced exclusively for online audiences Alphabetical entries provide websites dates casts credits episode lists and storylines

Authenticity and How We Fake It Aaron Duplantier, 2016-07-12 Consumers today are invested in reality based media such as reality television and social media which in theory draw content from somewhere off screen in our lived experience This is seen as more authentic than the predominantly fictional media of the latter half of the 20th century Yet much of reality TV and social media is known by both consumers and creators of content to be scripted or contrived Addressing this problem deepens consumer engagement as authenticity becomes a preoccupation driving the extension of a new media ethic of truth and savvy This dynamic is key to understanding consumers changing attitudes about the media they value Reality TV Facebook and YouTube have created a paradigm shift in the media landscape Analyzing these three established platforms all of which have a stake in the conversation about authenticity this book sheds light on the complicated behaviors and choices of media consumers

Watching TV Harry Castleman, Walter J. Podrazik, 2024-12-16 Castleman and Podrazik present a season by season narrative that encompasses the eras of American television from the beginning in broadcast through cable and now streaming They deftly navigate the dizzying array of contemporary choices so

that no matter where you start on the media timeline Watching TV provides the context and background to this multi billion dollar enterprise Drawing on decades of research the authors weave together personalities popular shows corporate strategies historical events and changing technologies enhancing the main commentary with additional elements that include fall prime time schedule grids for every season date box timelines highlighted key text and selected photos Full of facts firsts insights and exploits from now back to the earliest days Watching TV is the standard chronology of American television and reading it is akin to channel surfing through history The fourth edition updates the story into the 2020s and looks ahead to the next waves of change This new edition is the first to also be available in a digital format **The Hollywood Reporter**
