A Womans Revenge Urban Books:

A Woman's Revenge E.N. Joy, Sherri L. Lewis, Rhonda McKnight, 2013-04-01 Three prolific Urban Christian authors have teamed up in this anthology that proves revenge isn't always so sweet. Musik Jalice Carter is in love. The only problem is that she doesn't believe the man is in love with her. What makes it even worse is that the man is her husband. Musik really starts to doubt his love for her when she uncovers secrets on his social networking page. Having given that man 15 years of her life, Musik is not going to walk away without getting answers and more importantly without getting revenge. Sabrina Rogers is devastated when she finds out that the man of her dreams has another woman. She's mortified when she discovers it's her mother. At odds for years, mother and daughter finally settle their differences to join forces against Blake Harrison. Revenge never tasted so sweet as they team up to put this player out of commission for good. But after the dirty deed is done, will forgiveness and faith be enough to keep their relationship together? Where do broken hearts go? If you're Tamera Watson, you go to the pawn shop to buy a gun. Tamera's husband is gone and so is her life savings. With the last of her pennies, she pays a private detective to hunt him down so she can gun him down. When she finds him, will she be able to pull the trigger or will the God of her heart stop her before she lets her desire for revenge take her too far.

Dead Woman's Revenge Elle E. Ire, 2022-03-08 Flynn Dalton doesn't want to be a hero. But for Genesis, she'll do whatever it takes. After her first deadly brush with the paranormal, Flynn just wants to get back to her life: construction work, semiprofessional bowling, and her fiancé. Genesis. Unfortunately, Flynn's abilities have caught the attention of the National Psychic Registry, and they have their own agenda. Wherever Flynn goes, the registry follows, setting up tests of her abilities, hounding her to attend the conference in Atlantic City for evaluation and training. Flynn can handle the registry's heavy-handed tactics, threats, and guilt trips. She's even convinced herself she can deal with her own growing and increasingly dangerous powers. But the offer to heal the wounds she sustained in Dead Woman's Pond, wounds that are making it almost impossible to do the work she loves, is much more tempting. And if the registry learns of Gen's addiction to dark magic, agreeing to do whatever the registry wants might be the only bargaining chip Flynn has left. Unfortunately, the registry's plans for her are much deadlier than a simple series of tests.
