knowledge alive and relevant Abandonment to Divine Providence de Caussade, 2017-03-22 The Abandonment to Divine Providence of Fr de Caussade is as far removed from the false inactivity of the Quietists as true Christian resignation is distinct from the fatalism of Mohammedans It is a trusting childlike peaceful abandonment to the guidance of grace and of the Holy Spirit an unquestioning and undoubting submission to the holy will of God in all things that may befall us be they due to the action of man or to the direct permission of God To Fr de Caussade abandonment to God the Ita Pater of our Divine Lord the Fiat of our Blessed Lady is the shortest surest and easiest way to holiness and peace Fr de Caussade's work must be read with a certain amount of discretion as naturally every advice he gives does not apply to all readers indiscriminately Some of his counsels may be appropriate for beginners others for souls of a more advanced degree of spirituality No one however can fail to recognize in his writings the sure tone of a Master who has united practical to theoretical knowledge of his subject Every page is redolent with the unction of the Spirit of God and readers will find in his doctrine a heavenly manna a food of unfailing strength for their souls The present work has been carefully translated into readable English and more regard has been paid to the meaning than to the literal exactness of the sentences The elevated noble style of the author has been preserved throughout It is a real contribution to the spiritual literature of England I am aware that our English word Abandonment does not adequately render the meaning of the French word Abandon but we have no better expression The translation has been undertaken solely for the purpose of helping souls to follow the hidden paths of the spiritual life and to surrender themselves entirely to the guidance of the Holy Spirit
