Boccaccio's Fabliaux Katherine A. Brown,2020-04-02 A remarkably well informed and truly innovative study of the way Boccaccio reimagined and rewrote Old French fabliaux in his Decameron Fran ois Rigolot Princeton University Theoretically savvy and yet jargon free philologically impeccable and critically acute this is a book that shows the author s unflinching dedication to the highest standards of scholarship Simone Marchesi author of Dante and Augustine Brown s attention to codicological contexts coupled with persuasive new interpretations of some of the fabliaux and Decameron stories make this book a pleasure to read for medievalist veterans and novices alike Renate Blumenfeld Kosinski author of Poets Saints and

Visionaries of the Great Schism 1378-1417 Short works known for their humor and ribaldry the fabliaux were comic or satirical tales told by wandering minstrels in medieval France Although the fabliaux are widely acknowledged as inspiring Giovanni Boccaccio's masterpiece the Decameron this theory has never been substantiated beyond perceived commonalities in length and theme This new and provocative interpretation examines the formal similarities between the Decameron's tales of wit wisdom and practical jokes and the popular thirteenth century fabliaux Katherine Brown examines these works through a prism of reversal and chiasmus to show that Boccaccio was not only inspired by the content of the fabliaux but also by their fundamental design where a passage of truth could be read as a lie or a tale of life as a tale of death Brown reveals close resemblances in rhetoric literary models and narrative structure to demonstrate how the Old French manuscripts of the fabliaux were adapted in the organization of the Decameron Identifying specific examples of fabliaux transformed by Boccaccio for his classic Decameron Brown shows how Boccaccio refashioned borrowed literary themes and devices playing with endless possibilities of literary creation through manipulations of his model texts Katherine A Brown is a specialist of medieval French and Italian literature **Official Gazette of the United States Patent and Trademark Office** ,2000
