Abessijnse Kronieken

Elisabeth Bekers

Abessijnse Kronieken:

Transcultural Modernities Elisabeth Bekers, Sissy Helff, Daniela Merolla, 2009 The swelling flows of migration from Africa towards Europe have aroused interest not only in the socio political consequences of the migrants insistent appeals to fortress Europe but also in the artistic integration of African migrants into the cultural world of Europe While in recent years the creative output of Africans living in Europe has received attention from the media and in academia little critical consideration has been given to African migrants modes of narration and the manner in which these modes give expression to or are an expression of their creators transcultural realities *Transcultural Modernities Narrating Africa in Europe* responds to this need for reflection by examining the manner in which migrants compose and negotiate their Euro African affiliations in their narratives The book brings together scholars in the fields of literary and art criticism cultural studies and anthropology for an extensive interdisciplinary exchange on the specific modes of narration displayed in Euro African literatures the visual arts and cinema as well as offering ethnographic case studies The result is a wide range of reflections on how African artists writers and ordinary people living in Europe experience and explore their transcultural and or postcolonial environments and how their experiences and explorations in turn contribute to the construction of modern Euro African life worlds

A Literary History of the Low Countries Theo Hermans, 2009 What was the written culture behind visual artists like Vermeer Rembrandt and Rubens What made the historical novel in nineteenth century Flanders so different from its counterpart in Holland What was the literary impact of the huge colonial empires run by the Netherlands and Belgium What role did Latin French and Frisian play in the literary culture of the Low Countries through the ages Why is experimental writing so prevalent in modern Dutch literature What has made Cees Nooteboom an internationally acclaimed author And how does Flemish relate to Dutch anyway This first literary history of the Netherlands and Flanders in English since the 1970s answers these and many other questions Written by a team of Dutch and Flemish subject specialists it offers a comprehensive and authoritative account of the literature of the Dutch speaking area from the medieval period up to the present day While it focuses on literature written in Dutch it also assesses the significance of writings in French Latin and Frisian

Abessijnse Kronieken Moses Isegawa, 1998 Het levensverhaal van een jonge man in het Uganda van de jaren 70 en als illegaal in de Bijlmermeer

The Postcolonial Low Countries Elleke Boehmer, Sarah De Mul, 2012-06-01 The *Postcolonial Low Countries* is the first book to bring together critical and comparative approaches to the emergent field of neerlandophone postcolonial studies The collection of essays ranges across the cultures and literatures of the Netherlands and Belgium and establishes an encounter between postcolonial theoretical discourses from both within and without the region Each one of the contributions puts under pressure the definitive concepts of postcolonial studies in its more conventional anglophone or francophone formation as well as perceptions of the Low Countries Belgium and the Netherlands as lying outside or to the side of the postcolonial domain In the Low Countries local and regional issues concerning

multiculturalism and colonial belatedness have raised important questions about the possible grounds on which postcolonial critical concepts might be not only translated but also generated afresh to suit these paradoxically new contexts As The Postcolonial Low Countries incisively demonstrates the Low Countries demand a careful rearticulation of such postcolonial readymades as hybridity accommodation and creolization Gathering together contributions from both internationally renowned scholars and newly established researchers in the field The Postcolonial Low Countries maps previously underexplored national and transnational literary critical trajectories The book challenges in boundary shifting ways current readings of the so described multicultural and postcolonial Netherlands and Belgium Abessijnse kronieken Moses Isegawa,1998 Het levensverhaal van een jonge man in het Uganda van de jaren 70 en als illegaal in de Bijlmermeer

Great Books Written by Africans across the Academic Disciplines Emmanuel D. Babatunde, Abdul Karim Bangura,2022-07-04 This volume is the first text to provide a comprehensive account of the great books across the academic disciplines written by Africans born in the continent and those who became naturalized citizens of African countries These great books are those that have had a powerful important or affecting influence on the author of a chapter in this book as an individual and on society The books included here are mostly of the storytelling type and thus not representative of most of the academic disciplines This volume allows each contributor to write a chapter on a discipline showcasing five great books written by African authors Each selection is appraised and suggestions made by other experts in a discipline while every chapter entails an introduction to the topic a conceptual discussion of the discipline a book by book review of the five books and a conclusion and recommendations for research using the selected books **African Literature** Jonathan P. Smithe,2002 African literature like the continent itself is enormous and diverse East Africa s literature is different from West Africa s which is quite different from South Africa s which has different influences on it than North Africa s Africa s literature is based on a widespread heritage of oral literature some of which has now been recorded Arabic influence can be detected as well as European especially French and English Legends myths proverbs riddles and folktales form the mother load of the oral literature This book presents an overview of African literature as well as a comprehensive bibliography primarily of English language sources Accessed by subject author and title indexes Rising Anthills Elisabeth Bekers,2010-08-05 Female genital excision or the ritual of cutting the external genitals of girls and women is undoubtedly one of the most heavily and widely debated cultural traditions of our time By looking at how writers of African descent have presented the practice in their literary work Elisabeth Bekers shows how the debate on female genital excision evolved over the last four decades of the twentieth century in response to changing attitudes about ethnicity nationalism colonialism feminism and human rights Rising Anthills the title refers to a Dogon myth analyzes works in English French and Arabic by African and African American writers both women and men from different parts of the African continent and the diaspora Attending closely to the nuances of language and the complexities of the issue Bekers explores lesser known writers side by side with

such recognizable names as Ngugi wa Thiong'o, Flora Nwapa, Nawal El Saadawi, Ahmadou Kourouma, Calixthe Beyala, Alice Walker and Gloria Naylor. Following their literary discussions of female genital excision, she discerns a gradual evolution from the 1960s when writers mindful of its communal significance carefully wrote around the physical operation, through the 1970s and 1980s when they began to speak out against the practice and their societies' gender politics, to the late 1990s when they situated their denunciations of female genital excision in a much broader international context of women's oppression and the struggle for women's rights. *Shantaram* Gregory David Roberts, 2025-09-01 Een van de meest epische romans aller tijden. De internationale bestseller over een man op de vlucht op veler verzoek opnieuw leverbaar. Het heeft me veel tijd en het grootste deel van de wereld gekost om te leren wat ik weet over liefde en het lot en de keuzes die we maken, maar de kern ervan drong in een oogwenk tot me door terwijl ik aan een muur was vastgeketend en werd gemarteld. Lin ontsnapt uit een Australische gevangenis en reist met een vals paspoort naar India. Hij dompelt zich onder in de kleurrijke chaos van Bombay waar hij de trouwe gids Prabaker ontmoet en bevriend raakt met de maffiabaas Khader Khan en de ongrijpbare Karla. Onder de indruk van de armoede in de krottenwijken en gesteund door zijn nieuwe vrienden besluit Lin zijn beperkte EHBO training aan te wenden om een kliniek te beginnen. Terwijl een niet aflatende stroom verstotelingen bij hem aanklopt, bouwt hij een nieuw leven op. Maar pas als Lin de innerlijke rust voelt om kritisch te kijken naar zijn eigen daden, komt de liefde waarnaar hij zo verlangt binnen handbereik. *Shantaram* is een onweerstaanbare epische roman met een indrukwekkende levensboodschap voor een groot deel gebaseerd op het leven van de auteur. Een meeslepende en intelligente roman vol levendige personages. Roberts' passievolle schrijfstijl is verfrissend. Hij neemt ons mee door de sloppenwijken en opiumhuizen van Bombay, langs bordelen en expatbars, en zegt: 'Kom mee. En wij volgen.' The Washington Post: *Shantaram* is betoverend. Maar belangrijker nog, het leert ons een waardevolle les: De mensen die we opsluiten zijn ook gewoon mensen. Ze verdienen het om met waardigheid te worden behandeld. Sommigen van hen zijn misschien uitzonderlijk. Sommigen zijn zelfs geniaal. Ayelet Waldman, auteur van *De weg door het park*. *Shantaram* is volkomen uniek, ronduit gedurfd en heerlijk ongeremd. Dit boek weet zelfs de meest fantasierijke geest te verrassen. ELLE **Zoals dat gaat met wonderen** Arthur Japin, 2010-10-19 Arthur Japin schrijft over zijn leven, zijn liefdes en over zijn reizen. Met Harry Mulisch is hij in New York, met Mxima en Willem Alexander in Ghana, en hij is in Londen tijdens de terreuraanslagen van 2005. Onderweg ontmoet hij de meest uiteenlopende mensen zoals Arundhati Roy en Edmund White, Lars von Trier en Catherine Keyl, Eveline Herfkens en Breyten Breytenbach, Louis Andriessen en Norman Mailer. In zijn dagboeken noteert Japin het vele dat hem in het leven en in anderen verwondert. Zijn keuze omvat de periode van zijn grote internationale doorbraak. Niet alleen schreef hij in deze jaren 2000-2007 zijn romans *De overgave*. Een schitterend gebrek waarmee hij de Librisprijs won, en *De droom van de leeuw*, maar ook *De grote wereld*, het Boekenweekgeschenk 2006, het scenario voor de film *Magonia* en het libretto voor de opera *Kwasi Kwame*, waarvan ontstaan research en ontwikkeling aan bod komen. Overpeinzingen en passages uit de romans blijken soms

regelrecht uit de dagboeken te komen en liefhebbers van zijn werk zullen moeiteloos de verbanden kunnen leggen met zijn persoonlijke leven African Alternatives Patrick Chabal, Ulf Engel, Léo De Haan, 2007 To stimulate the exploration of African initiative and creativity beyond immediate socio economic and political circumstances this book demonstrates that societies in Africa have always showed the ability to negotiate whatever constraining ecological economic and political circumstances they faced **Object: Nederlandse literatuur in het buitenland** Petra Broomans, 2007 Vertalingen zijn de enige mogelijkheid iets te weten te komen over een andere nationale literatuur Een lang proces van selectie door de buitenlandse uitgever recensent of door de vertaler gaat vooraf aan de keuze welke boeken voor vertaling in aanmerking komen Verschillende vormen van onderzoek naar de receptie van vertaalde literatuur komen aan bod Daaruit blijkt dat de context waarin de vertaalde literatuur functioneert een rol speelt en dat het optreden van bemiddelaars van groot belang kan zijn **De smalle marge van de multiculturele samenleving** Piet Mooren, 2001 **Abyssinian Chronicles** Moses Iseigawa, 2011-11-11 Set in a tribal village during the years of the Idi Amin terror in Uganda Abyssinian Chronicles takes us into the heart of Africa vividly immersing us in the mesmerizing extremes of beauty and brutality wisdom and ignorance wealth and poverty hope and despair that define the continent today We come to intimately know an extended family rich in centuries old tradition and follow the unsentimental education of the boy who takes it all in who learns observes and teaches and starts to feel the very earth moving under the African experience and the people he loves Filled with extraordinary characters animated by a wicked sense of humour and guided by intense clear eyed compassion this novel feels at once classic and unique As Rushdie's Midnight's Children was for modern India Abyssinian Chronicles will likely prove to be a breakthrough book for Uganda Time Out US A spectacular first novel Epic sprawling brimming with life and death Elle US **De god met de blauwe ogen** Babah Tarawally, 2023-12-07 Aangrijpende roman over een vluchteling die aankomt in Nederland vanuit Sierra Leone De god met de blauwe ogen vertelt het verhaal van een vluchteling die zijn weg probeert te vinden in Nederland Tarawally laat indringend zien wat het betekent om te leven tussen twee culturen The British National Bibliography Arthur James Wells, 2001 Beyond »Ethnic Chick Lit« - Labelingpraktiken neuer Welt-Frauen*-Literaturen im transkontinentalen Vergleich Sandra Folie, 2022-09-01 Chick lit hat seit ihrer Entstehung Mitte der 1990er Jahre kulturelle geographische und sprachliche Grenzen überschritten Ihre globale Popularität wurde lange als Transfer von den weißen westlichen Zentren in die Peripherien beschrieben vom originären anglo-amerikanischen Genre zu adaptierten ethnischen Subgenres Sandra Folie zeigt anhand von Fallbeispielen vermeintlich peripherer ethnic chick lit aus Asien und Afrika wie sexistische und ethnischisierende Labeling und Vermarktungsstrategien international erfolgreiche Gegenwartsliteratur von Frauen abwerten und vereinheitlichen Ihre vergleichende Analyse zeichnet ein Bild pluraler Herkunftsnarrative und Entwicklungstendenzen **Boekblad**, 2000-04 Vreemdeling in eigen landschap Ingrid Hoogervorst, 2000 Interviews met 29 hedendaagse Nederlandse schrijvers over hun leven en werk **Magical Realism and**

Literature Christopher Warnes, Kim Anderson Sasser, 2020-11-12 Magical realism can lay claim to being one of most recognizable genres of prose writing. It mingles the probable and improbable, the real and the fantastic, and it provided the late twentieth century novel with an infusion of creative energy in Latin America, Africa, Asia, and beyond. Writers such as Alejo Carpentier, Gabriel García Márquez, Isabel Allende, Salman Rushdie, Ben Okri, and many others harnessed the resources of narrative realism to the representation of folklore, belief, and fantasy. This book sheds new light on magical realism, exploring in detail its global origins and development. It offers new perspectives of the history of the ideas behind this literary tradition, including magic realism, otherness, primitivism, ethnography, indigeneity, and space and time.

The book delves into Abessijnse Kronieken. Abessijnse Kronieken is a vital topic that must be grasped by everyone, ranging from students and scholars to the general public. The book will furnish comprehensive and in-depth insights into Abessijnse Kronieken, encompassing both the fundamentals and more intricate discussions.

1. This book is structured into several chapters, namely:

- Chapter 1: Introduction to Abessijnse Kronieken
- Chapter 2: Essential Elements of Abessijnse Kronieken
- Chapter 3: Abessijnse Kronieken in Everyday Life
- Chapter 4: Abessijnse Kronieken in Specific Contexts
- Chapter 5: Conclusion

2. In chapter 1, the author will provide an overview of Abessijnse Kronieken. This chapter will explore what Abessijnse Kronieken is, why Abessijnse Kronieken is vital, and how to effectively learn about Abessijnse Kronieken.
3. In chapter 2, the author will delve into the foundational concepts of Abessijnse Kronieken. This chapter will elucidate the essential principles that need to be understood to grasp Abessijnse Kronieken in its entirety.
4. In chapter 3, this book will examine the practical applications of Abessijnse Kronieken in daily life. The third chapter will showcase real-world examples of how Abessijnse Kronieken can be effectively utilized in everyday scenarios.
5. In chapter 4, this book will scrutinize the relevance of Abessijnse Kronieken in specific contexts. The fourth chapter will explore how Abessijnse Kronieken is applied in specialized fields, such as education, business, and technology.
6. In chapter 5, the author will draw a conclusion about Abessijnse Kronieken. This chapter will summarize the key points that have been discussed throughout the book.

The book is crafted in an easy-to-understand language and is complemented by engaging illustrations. This book is highly recommended for anyone seeking to gain a comprehensive understanding of Abessijnse Kronieken.
