Business Review, 2002 Environmental Systems and Societies for the IB Diploma Paul Guinness, Brenda Walpole, 2012-09-27
Cambridge resources for the IB diploma p 4 cover **Defining Literary Criticism** Carol Atherton, 2005-09-27
Outlining the controversies that have surrounded the academic discipline of English Literature since its institutionalization in the late nineteenth century, this important book draws on a range of archival sources. It addresses issues that are central to the identity of academic English: how the subject came into existence and what makes it a specialist discipline of knowledge in a manner that illuminates many of the crises that have affected the development of modern English studies. Atherton also addresses contemporary arguments about the teaching of literary criticism including an examination of the reforms to A Level literature.
