**Arabian Nights** ,2017-08-24 Upon learning of his queen s infidelity proud King Shahryar has her killed As revenge on womankind he decides to wed a different virgin every night only to have her beheaded at dawn Such is Shahryar s practice for three terrible years until he weds Scheherazade the maiden who will change his life A breathtaking beauty Scheherazade is as learned as she is sensuous Her first night with the king she uses her imagination her eloquence and more than a little cunning to regale him with a tale of genies and wishes wisely cutting the story short at dawn The king is so beguiled he cannot have her murdered without hearing the story s end From then on Scheherazade spends nights conjuring stories of flying carpets and fantastical journeys always stopping with a cliff hanger and saving her own life This edition follows the unexpurgated translation of Richard F Burton the renowned Victorian explorer Intricate and inventive these stories within stories continue to captivate readers as they have for centuries
