Charles E. Curran

Aquinas And Empowerment Classical Ethics For Ordinary Lives Moral Traditions Moral Arguments:

Aquinas and Empowerment G. Simon Harak, 1997-01-01 Applying the ethical concepts of Thomas Aquinas to contemporary moral problems this book both presents new interpretations of Thomist theology and offers new insights into today's perplexing moral dilemmas This volume addresses such contemporary issues as internalized oppression especially as it relates to women and African Americans feminism and anger child abuse friendship and charity and finally justice and reason The collection revives Aquinas as an ethicist who has relevant things to say about contemporary concerns These essays illustrate how Thomistic ethics can encourage and empower people in moral struggles As the first book to use Aquinas to explore such issues as child abuse and oppression it includes a variety of approaches to Aquinas's ethics *Aquinas and Empowerment* is a valuable resource for students of classical thought and contemporary ethics

Aquinas and Empowerment G Simon Harak, 2009

The Catholic Moral Tradition Today Charles E. Curran, 1999-04-05 The Catholic tradition has always tried to explain its theology in a coherent and systematic way but the great changes and tensions existing within Catholic moral theology today have made it difficult to develop systematic approaches to what was once called fundamental moral theology Now a leading scholar active in this field for forty years offers a synthesis of Catholic moral theology set in the context of the broader Catholic tradition and the significant developments that have occurred since the Second Vatican Council Charles E Curran's succinct coherent account of his wide ranging work in Catholic moral theology points out agreements disagreements and changes in significant aspects of the Catholic moral tradition His systematic approach explores major topics in a logical development the ecclesiological foundation and stance of moral theology the person as moral subject and agent virtues principles and norms conscience and decision making and the role of the church as a teacher of morality Curran's work condenses and organizes a large amount of material to show that the Catholic theological tradition is in dialogue with contemporary life and thought while remaining conscious of its rich history Of great interest to theologians for its broad synthetic scope this book is also a thorough introduction to the Catholic moral tradition for students and interested readers including non Catholics

Wealth, Virtue, and Moral Luck Kate Ward, 2021 In *Wealth Virtue and Moral Luck* Kate Ward addresses the issue of inequality from the perspective of Christian virtue ethics arguing that our individual life circumstances affect our ability to pursue virtue and showing how Christians and Christian communities should respond to create a world where it is easier for people to be virtuous

The Christian Case for Virtue Ethics Joseph J. Kotva Jr., 1996-09-01 Despite the growing interest among philosophers and theologians in virtue ethics its proponents have done little to suggest why Christians in particular find virtue ethics attractive Joseph J Kotva Jr addresses this question in *The Christian Case for Virtue Ethics* showing that virtue theory offers an ethical framework that is highly compatible with Christian morality Kotva defines virtue ethics and demonstrates its ability to voice Christian convictions about how to live the moral life He evaluates virtue theory in light of systematic theology and Scripture arguing that

Christian ethics could be profitably linked with neo Aristotelian virtue ethics Ecumenical in tone this book provides a thorough but accessible introduction to recent philosophical accounts of virtue and offers an original explicitly Christian adaptation of these ideas It will be of value to students and scholars of philosophy theology and religion as well as to those interested in the debates surrounding virtue ethics

Femenist Ethics and Natural Law Cristina L. H. Traina, 1999-04-28

Heated debates over such issues as abortion contraception ordination and Church hierarchy suggest that feminist and natural law ethics are diametrically opposed Cristina L H Traina now reexamines both Roman Catholic natural law tradition and Anglo American feminist ethics and reconciles the two positions by showing how some of their aims and assumptions complement one another After carefully scrutinizing Aquinas s moral theology she analyzes trends in both contemporary feminist ethics theological as well as secular and twentieth century Roman Catholic moral theology Although feminist ethics reject many of the methods and conclusions of the scholastic and revisionist natural law schools Traina shows that a truly Thomistic natural law ethic nonetheless provides a much needed holistic foundation for contemporary feminist ethics On the other hand she offers new perspectives on the writings of Josef Fuchs Richard McCormick and Gustavo Gutierrez arguing that their failure to catch the full spirit of Thomas s moral vision is due to inadequate attention to feminist critical methods This highly original book proposes an innovative union of two supposedly antagonistic schools of thought a new feminist natural law that would yield more comprehensive moral analysis than either existing tradition alone This is a provocative book not only for students of moral theology but also for feminists who may object to the very notion of natural law ethics suggesting how each might find insight in an unlikely place

The Origins of Moral Theology in the United States Charles E. Curran, 1997-02-01

Charles E Curran presents the first in depth analysis of the origins of Catholic moral theology in the United States focusing on three significant figures in the late nineteenth century and demonstrating that methodological pluralism and theological diversity existed in the Church even then Curran begins by tracing the historical development of moral theology especially as presented in nineteenth century manuals of moral theology which offered a legal model of morality including a heavy emphasis on canon law He then probes the different approaches and ideas of three important writers Aloysius Sabetti a Jesuit who was a typical as well as the most influential American manualist Thomas J Bouquillon first chair of moral theology at Catholic University of America a neoscholastic who criticized the manuals approach as narrow and incomplete for failing to address principles virtues and the connection to systematic theology and clerical educator John B Hogan a casuist who developed a more inductive and historically conscious methodology Curran describes how all three men dealt in different ways with the increasing role of authoritative teachings in moral theology from the Vatican He also shows how they reflected their American context and the views of their own time on women and sexuality So little attention has been paid to the development of moral theology in this country that these authors are unknown to many scholars Curran s book corrects this oversight and proposes that the ferment revealed in their writings offers important lessons for

contemporary Catholic moral theology **The Fellowship of Life** Joseph Woodill,1998 This book fills a vacuum in our understanding of the Eastern Church by revealing themes persons and insights that offer resources for a contemporary moral theology Reviewing the Eastern tradition from patristic times to the present Woodill shows its relevance to contemporary virtue ethics and identifies both differences and similarities between Orthodox and other Catholic Protestant and Jewish virtue ethics Woodill s study centers on the fundamental elements of classical Greek ethics telos practice virtue community narrative and mentoring He analyzes the ancient Greek fathers and the writings of modern Orthodox ethicists Stanley Harakas Vigen Gurolan and Christos Yannaras to show how those elements relate to the process of Christian transformation He then demonstrates how the movement from creation to redemption contains an implicit virtue ethic Jewish and Catholic Bioethics Edmund D. Pellegrino,Alan I. Faden,1999-10-04 Drawing on multiple interconnected scriptural and spiritual sources the Jewish tradition of ethical reflection is intricate and nuanced This book presents scholarly Jewish perspectives on suffering healing life and death and it compares them with contemporary Christian and secular views The Jewish perspectives presented in this book are mainly those of orthodox scholars with the responses representing primarily Christian Catholic points of view Readers unfamiliar with the Jewish tradition will find here a practical introduction to its major voices from Spinoza to Jewish religious law The contributors explore such issues as active and passive euthanasia abortion assisted reproduction genetic screening and health care delivery Offering a thoughtful and thought provoking dialogue between Jewish and Christian scholars Jewish and Catholic Bioethics is an important contribution to ecumenical understanding in the realm of health care *Journal of Moral Theology, Volume 1, Number 1* David M. Cloutier,Wiliam C. Mattison,2013-12-09 Formative Figures of Contemporary American Catholic Moral Theology Volume 1 Number 1 January 2012 Edited by David Cloutier and William C Mattison III Moral Theology in the Ruins Introducing the Journal of Moral Theology David Matzko McCarthy Bernard H ring s Influence on American Catholic Moral Theology James F Keenan S J Servais Pinckaers and the Renewal of Catholic Moral Theology Craig Steven Titus Religious Freedom Morality and Law John Courtney Murray Today David Hollenbach S J James M Gustafson and Catholic Theological Ethics Lisa Sowle Cahill The Luminous Excess of the Acting Person Assessing the Impact of Pope John Paul II on American Catholic Moral Theology John Grabowski Stanley Hauerwas s Influence on Catholic Moral Theologians Jana Marguerite Bennett Review Essay Method in American Catholic Moral Theology After Veritatis Splendor David Cloutier and William C Mattison III Rethinking Cooperation with Evil Ryan Connors,2023-12-15 Rethinking Cooperation with Evil A Virtue Based Approach applies Thomistic virtue theory to today s most challenging questions of cooperation with evil For centuries moralists have struggled to determine the conditions necessary to justify moral cooperation with evil The English Jesuit Henry Davis even observed T here is no more difficult question than this in the whole range of Moral Theology This important book addresses this challenge by applying the virtue based method of moral reasoning of St Thomas Aquinas to issues of cooperation with evil

Those who pastor souls report frequently receiving questions from attentive believers about whether a particular human action inadvertently contributes to some moral evil. Examples of potentially immoral cooperation with evil include whether one may shop at a particular franchise known for its support of abortion, whether Catholics may attend civil marriages outside the Church, or whether an organization may submit to government mandates that health insurance include payment for immoral practices. Although recent moralists have tackled specific topics related to cooperation with evil, agreement on an overall common paradigm has not yet been reached. *Rethinking Cooperation with Evil* proposes a method for Christian believers and others to approach these questions from the foundation of the thought of St Thomas Aquinas and the magisterial teaching of the Catholic Church. This text provides both an overall method for how to understand the issue of cooperation as well as practical counsel for specific cases. *Rethinking Cooperation with Evil* advances the theological conversation on this topic from both speculative and practical vantage points. To facilitate his argument, Connors utilizes historical analyses that contrast Aquinas's method of moral reasoning with that of the casuist treatment of cooperation. Consequently, the book includes numerous case studies that will be of interest both to moral theologians and readers new to the topic.

Ressourcement Thomism Romanus Cessario, 2010. The essays in this volume explore three areas in which St Thomas Aquinas's voice has never fallen silent: sacred doctrine, the relationship of sacraments and metaphysics, and the central role of virtue in moral theology. Aquinas And Empowerment Classical Ethics For Ordinary Lives Moral Traditions Moral Arguments Introduction

In the digital age, access to information has become easier than ever before. The ability to download Aquinas And Empowerment Classical Ethics For Ordinary Lives Moral Traditions Moral Arguments has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Aquinas And Empowerment Classical Ethics For Ordinary Lives Moral Traditions Moral Arguments has opened up a world of possibilities. Downloading Aquinas And Empowerment Classical Ethics For Ordinary Lives Moral Traditions Moral Arguments provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Aquinas And Empowerment Classical Ethics For Ordinary Lives Moral Traditions Moral Arguments has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Aquinas And Empowerment Classical Ethics For Ordinary Lives Moral Traditions Moral Arguments. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Aquinas And Empowerment Classical Ethics For Ordinary Lives Moral Traditions Moral Arguments. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Aquinas And Empowerment Classical Ethics For Ordinary Lives Moral Traditions Moral Arguments, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download

Aquinas And Empowerment Classical Ethics For Ordinary Lives Moral Traditions Moral Arguments has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Aquinas And Empowerment Classical Ethics For Ordinary Lives Moral Traditions Moral Arguments Books

1. Where can I buy Aquinas And Empowerment Classical Ethics For Ordinary Lives Moral Traditions Moral Arguments books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Aquinas And Empowerment Classical Ethics For Ordinary Lives Moral Traditions Moral Arguments book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Aquinas And Empowerment Classical Ethics For Ordinary Lives Moral Traditions Moral Arguments books? Storage: Keep them away from direct sunlight and in a dry environment.
