Arabic Drivers Manual:

Manual of Colloquial Arabic E. R. Stafford, 1932 **Arabic Dialogues** Rachel Mairs, 2024-03-04 During the nineteenth century and into the early twentieth century more Europeans visited the Middle East than ever before as tourists archaeologists pilgrims settler colonists and soldiers These visitors engaged with the Arabic language to differing degrees While some were serious scholars of Classical Arabic in the Orientalist mould many did not learn the language at all Between these two extremes lies a neglected group of language learners who wanted to learn enough everyday colloquial Arabic to get by The needs of these learners were met by popular language books which boasted that they could provide an easy route to fluency in a difficult language Arabic Dialogues explores the motivations of Arabic learners and effectiveness of instructional materials principally in Egypt and Palestine by analysing a corpus of Arabic phrasebooks published in nine languages English French German Spanish Portuguese Italian Yiddish Hebrew Russian and in the territory of twenty five modern countries Beginning with Napoleon's Expedition to Egypt 1798-1801 it moves through the periods of mass tourism and European colonialism in the Middle East concluding with the Second World War The book also considers how Arab intellectuals understood the project of teaching Arabic to foreigners the remarkable history of Arabic learning among Yiddish and Hebrew speaking immigrants in Palestine and the networks of language learners teachers and plagiarists who produced these phrasebooks

The Arabic Language in America Aleya Rouchdy, 1992 As in any other situation of languages in contact Arabic spoken in the United States is changing under the influence of English It has incorporated different linguistic innovations and interference from English occurs on the various linguistic levels However in many cases this interference does not lead to language attrition but rather to the creation of an ethnic language with special uses understood only by members of the Arab American community Developed out of Aleya Rouchdy's own involvement and teaching of Arabic in the United States this book the first of its kind is devoted to the full range of Arabic in America In Part I contributors discuss borrowing and the changes occurring on the various linguistic levels of Arabic and the social factors that have contributed to these changes Other chapters in Part I deal with code switching between English and Arabic Part II examines the shift toward English and the maintenance of Arabic as well as the attitudes that speakers display toward Arabic Chapters in Part III are pedagogical in nature The essays explore the history of the study of Arabic in the United States and examine methods and materials used in the teaching of Arabic as well as some of the theoretical and practical implications associated with these different approaches Primarily for readers with special interest in Arab immigration settlement and ethnicity The Arabic Language in America will also engage the attention of sociologists social historians anthropologists linguists and sociolinguists who will find the book relevant for their work
