EBOOK: Doing Collective Biography Bronwyn Davies, Susanne Gannon, 2006-08-16 At last a book that not only describes what collective biography is but also explains how to use it The book describes how to set up collective biography workshops in which participants examine how discursive structures and power relations have both enabled and limited the conditions of possibility for their lived experience Focusing on a more complicated reflexivity than is usually described in social science research collective biography inspired by Frigga Haug and refined by Davies will no doubt be used increasingly by researchers interested in the production of subjects in a postmodern world Elizabeth Adams St Pierre University of Georgia USA This book introduces the reader to collective biography an innovative research methodology for use in education and the social sciences The methodology of collective biography overcomes the theory practice divide by putting theory to use in everyday life and using everyday life to understand and to extend theory Doing Collective Biography provides guidelines for developing a collective biography project and demonstrates how these guidelines emerged from and were shaped by projects on such topics as subjectivity power agency reflexivity literacy gender and neoliberalism at work Each chapter gives a detailed example of collective biography in practice showing how a group of students and or scholars can work collaboratively to investigate aspects of the production of subjectivity and clearly demonstrates how poststructural

theory can be elaborated and refracted through the experiences of ordinary everyday life This is key reading for undergraduate and postgraduate students on Education and social science courses with a research element as well as for academics and professionals undertaking research projects

EBOOK: Peer Mediation: Citizenship and Social Inclusion Revisited Hilary Cremin, 2007-09-16 This book is a must for those who like me believe passionately both in the power of peer mediation and in the urgency of spreading good practice in a society like ours which is desperately searching for ways to be inclusive and at peace with itself Tim Brighouse former Commissioner for London Schools As the challenges facing young people grow so do the array of support mechanisms to help them During my time as a Member of Parliament and as a Minister I saw many of the ideas and initiatives which were tackling this issue I am attracted to the idea of peer mediation mainly because it goes beyond the question of how can we protect and help children when they have a difficulty and develops those increasingly important social and emotional skills in all children Estelle Morris Former Secretary of State DfES Why use peer mediation What are the factors that influence its failure or success Peer mediation as a form of conflict resolution is growing in popularity and usage particularly within education The number of schools using this method has increased with many schools in the UK now using mediation to settle disputes both in school and in the wider community Based on the author s extensive work on peer mediation the book provides a thorough account of theory and practice relating to an approach that can enable young people to resolve their own disputes and those of their peers The author shows how peer mediation can be embraced by schools to strengthen student voice behaviour management active citizenship and inclusion as well as how it can be neglected and fail to achieve these aims Drawing on case studies of peer mediation in schools the book offers an analysis of the work that has been carried out in this area It revisits key debates in education such as citizenship social inclusion student voice and behaviour management in order to begin to address the questions surrounding this method of conflict resolution

Peer Mediation is key reading for primary and secondary school teachers educational professionals academics policy makers and those with an interest in practical peace making Archaeology, Cultural Property, and the Military Laurie W.
