Archangel David Scott Robarge,2007 *Archangel* .: David Scott Robarge,2007 **Archangel: CIA's Supersonic A-12 Reconnaissance Aircraft** Central Intelligence Central Intelligence Agency,David Robarge,2019-08-18 This history of the A 12 reconnaissance aircraft was occasioned by CIA s acquisition on loan from the Air Force of the eighth A 12 in the production series of 15 in September 2007 Known as Article 128 the aircraft is on display at the Agency s Headquarters compound in Langley Virginia This history is intended to provide an accessible overview of the A 12 s development and use as an intelligence collector The Central Intelligence Agency was created in 1947 principally to provide US leaders with strategic warning of attack by the Soviet Union The Agency s main mission during its first decade and a half was to deploy its collection and analytic assets to detect and preempt a nuclear Pearl Harbor No other intelligence question had greater implications for the national interests of the United States and its very survival than determining what kinds of strategic weapons and how many of them the Soviet Union had and how it intended to use them With the USSR proving to be an extremely hard target for traditional espionage operations the United States had to turn to technical collection to peer beyond the Iron Curtain In 1954 CIA retained the Lockheed Corporation to build the U 2 reconnaissance aircraft Essentially a jet powered glider the U 2 could fly at the unprecedented height of 70 000 feet beyond the range of Soviet fighters and missiles and take detailed photographs of Soviet Bloc military facilities The aircraft was ready for operations in June 1956 At the time CIA project officers had estimated that the U 2 would be able to fly safely over the Soviet Union for two years at most before it became vulnerable to Soviet air defenses The Soviets tracked the U 2 from its first mission however The estimate had proven too optimistic especially after initial efforts to mask the U 2 s radar image proved ineffective A more radical solution was needed an entirely new aircraft **Archangel** David Robarge,2011-03-21 This history of the U 2 s replacement provides an accessible overview of the A 12 s development and use as an intelligence collector The author has tried to make the narrative informative to lay readers while retaining enough technical detail to satisfy aeronautics and engineering readers He has used sources listed in the bibliography and extensive files on the A 12 program in CIA Archives This book has been augmented with a few recently declassified documents including the designer s own history of the project and a list of other documents now available to readers via the Internet thanks to the Freedom of Information Act David Robarge was the CIA Chief Historian when he originally published *Archangel* as a 67 page book in September 2007 Nearly 100 pages of additional documentation has been added as parts 2 4 to produce the present volume **ARCHANGEL: CIA's SUPERSONIC A-12 RECONNAISSANCE AIRCRAFT** David Robarge,2017-10-04 The interesting history of the CIA s Archangel project Archangel was to design a replacement spyplane for the U 2 after it became apparent the USSR had tracked the U 2 from its very first mission Written by CIA Chief Historian David Robarge it details the development of the A 12 reconnaissance aircraft and its use as an intelligence collector Information was compiled from the CIA History Staff the

never stopped people from writing about intelligence From memoirs and academic texts to conspiracy laden exposes and spy novels writing on intelligence abounds Now this new account uncovers intelligence historiography s hugely important role in shaping popular understandings and the social memory of intelligence In this first introduction to these official and unofficial histories a range of leading contributors narrate and interpret the development of intelligence studies as a discipline Each chapter showcases new archival material looking at a particular book or series of books and considering issues of production censorship representation and reception

Spies and Shuttles James E. David, 2015-01-27 Revealing the connections between NASA and the United States defense community In this real life spy saga James E David reveals the extensive and largely hidden interactions between NASA and U S defense and intelligence departments The story begins with the establishment of NASA in 1958 and follows the agency through its growth not only in scope but also in complexity In *Spies and Shuttles* David digs through newly declassified documents to ultimately reveal how NASA became a strange bedfellow to the Department of Defense DoD and the Central Intelligence Agency CIA He tracks NASA s early cooperation supplying cover stories for covert missions analyzing the Soviet space program providing weather and other scientific data from its satellites and monitoring missile tests that eventually devolved into NASA s reliance on DoD for political and financial support for the Shuttle David also examines the restrictions imposed on such activities as photographing the Earth from space and the intrusive review mechanisms to ensure compliance The ties between NASA and the intelligence community have historically remained unexplored and David s riveting book is the first to investigate the twists and turns of this labyrinthine relationship

Routledge Companion to Intelligence Studies Robert Dover, Michael S. Goodman, Claudia Hillebrand, 2013-09-05 The Routledge Companion to Intelligence Studies provides a broad overview of the growing field of intelligence studies The recent growth of interest in intelligence and security studies has led to an increased demand for popular depictions of intelligence and reference works to explain the architecture and underpinnings of intelligence activity Divided into five comprehensive sections this Companion provides a strong survey of the cutting edge research in the field of intelligence studies Part I The evolution of intelligence studies Part II Abstract approaches to intelligence Part III Historical approaches to intelligence Part IV Systems of intelligence Part V Contemporary challenges With a broad focus on the origins practices and nature of intelligence the book not only addresses classical issues but also examines topics of recent interest in security studies The overarching aim is to reveal the rich tapestry of intelligence studies in both a sophisticated and accessible way This Companion will be essential reading for students of intelligence studies and strategic studies and highly recommended for students of defence studies foreign policy Cold War studies diplomacy and

international relations in general **With Stars in Their Eyes** Jim Bernard Breckinridge, Alec M. Pridgeon, 2022 The incredible story of the Meinel's has never been told nor have their accomplishments and contributions ever been adequately recounted in one publication This book is an effort to redress that oversight using interviews from those who knew them best their own prodigious body of work including an unpublished autobiography and documentation in Presidential libraries as well as universities and the National Archives Getting to Know the President John L. Helgerson, 2012 This second edition of *Getting To Know the President* by John Helgerson makes a singular contribution to the literature of intelligence by describing this important process of information sharing between the Intelligence Community IC and the Chief Executive the President of the United States starting as a presidential candidate Since 1952 the CIA and now the Intelligence Community as a whole has provided presidential candidates and presidents elect with intelligence briefings during their campaigns and transitions These briefings have helped presidents be as well informed as possible on international developments from the day they take office First published in 1996 and now revised and updated to include accounts of intelligence support to candidates and presidents elect in the three elections between then and 2004 Helgerson's study provides unique insights into the mechanics and content of the briefings the interaction of the participants and the briefings effect on the relationships presidents have had with their intelligence services His observations on how and what to brief during the campaign and transition periods are essential reading for members of the community charged with that responsibility in the future and seeking to learn from the best practices of their predecessors **The Future a Memory: The Cold War and Intelligence Services - Aspects** Heiner Timmermann, 2013 This book presents an overview about the activities of intelligence services and their role during the Cold War period Contributions from a wide range of disciplines by historians political scientists journalists legal experts former officers of secret services and former military men from various countries around the world discuss the services in the US Germany Korea the Caribbean Sea the Baltic Russia and Europe including the famous US counter intelligence Venona project Series Politics and Modern History Politik und Moderne Geschichte Vol 18 USS Enterprise (CVN-65) Mark L. Evans, 2022-07-14 This is the thrilling story of USS Enterprise CVN 65 the world's first nuclear powered aircraft carrier Her story spans 51 years 1961 2012 of active service from the brink of nuclear war during the Cuban Missile Crisis to the first global cruise by nuclear powered ships to the first strikes during the Vietnam War battles against the Iranians and Iraqis in the 1980s and 1990s a pivotal role during 9 11 and the Global War on Terrorism and hunting pirates off the Horn of Africa More than just an operational history of Enterprise this book recounts the experiences of the men and women who served on board the pilots who flew from the flight deck the men who fought to save the ship during a fire in 1969 the sailors who brought retribution against Al Qaeda terrorists with detailed descriptions of sorties through flak filled skies and harrowing escapes from capture behind enemy lines This book is dedicated to the men and women who have served on board Big E and to those who paid the ultimate price for freedom Archangel: Cia's
