Cannibal Error David Kerekes,David Slater,2024-03-07 A social history of the video nasty In the early 1980s video technology forever changed the face of home entertainment The videocassette a handy sized cartridge of magnetic tape inside a plastic shell domesticated cinema as families across Britain began to consume films in an entirely new way Demand was high and the result was a video gold rush with video rental outlets appearing on every high street almost overnight Without moderation their shelves filled with all manner of films depicting unbridled sex and violence A backlash was inevitable Video was soon perceived as a threat to society a view neatly

summed up in the term video nasties CANNIBAL ERROR chronicles the phenomenal rise of video culture through a tumultuous decade its impact and its aftermath Based on extensive research and interviews the authors provide a first hand account of Britain in the 1980s when video became a scapegoat for a variety of social ills It examines the confusion spawned by the Video Recordings Act 1984 the subsequent witch hunt that culminated in police raids and arrests and offers insightful commentary on many contentious and banned films that were cited by the media as influential factors in several murder cases It also investigates the cottage industry in illicit films that developed as a direct result of the video nasty clampdown CANNIBAL ERROR a revised and reworked edition of SEE NO EVIL 2000 is an exhaustive and startling overview of Britain s video nasty panic the ramifications of which are still felt today *Pacha's Pajamas: A Story Written By Nature* , *Big Deal* Kevin Winkler,2018 Bob Fosse is one of the most significant figures in the post World War II American musical theater Big Deal Bob Fosse and Dance in the American Musical is a fascinating look at the evolution of Fosse as choreographer and director It traces his early dance years the influence of mentors George Abbott and Jerome Robbins and the impact of his three marriages all to dancers on his career *Steal You Away* Niccolò Ammaniti,2007 In swampy Ischiano Scalo where the adults are all losers and the children dream of escape meek little Pietro is tested to destruction by the school psychopath and is betrayed by his parents his favourite teacher and in his most self fulfilling act himself *Genre Fission* Marleen S.
