Primrose Hill School

23 SPRING BROOK PARK, RHINEBECK, NY | (845) 876-1226 | WWW.PRIMROSEHILLSCHOOL.COM

WALDORF BASED EDUCATION IN RHINEBECK, NY

Soft peach colored walls. A beeswax crayon lying on a handmade wooden table. The scent of apple crisp baking in the oven. Silk scarves gently covering wooden dolls. No screens, gadgets, bleeps or blips. Upon entering, parents often remark, "I wish I were small again so I could go here."

Primrose Hill School, which follows the Waldorf philosophy of teaching, believes in educating the whole child - physically, emotionally and spiritually. Our classrooms are made of entirely natural materials and are adorned with items such as pine cones, stones and leaves, which the children collect on their daily walks.

Nature is our best teacher and the Hudson Valley offers many resources. Children here

are able to learn about the natural world through direct experience - not always an option in an urban setting. Primrose Hill School emphasizes imaginative play in natural surroundings as well as setting daily rhythms. Repetition and knowing what to expect throughout the day helps children to feel safe and secure and creates the best environment to learn new skills and build confidence. Waldorf early childhood educators understand the importance of nurturing a young child's inner world through creative free play, music, movement, storytelling and connection to nature and the seasons.

Our passion is not only sustainable education but to join the community in supporting all things sustainable, organic and LOCAL.
