The prophetic element was only the most dramatic and prominent part of developments that sought to bring the biblical material alive in ways that had not been experienced in the ecclesiology of Western mission Christianity. The ministries of African charismatic figures of the early 20th century were oriented towards the biblical phenomenon of the prophetic and the related issue of divine or faith healing, sometimes even to the neglect of the use of biomedical resources. Denise D Cook M D **Intensity in Prayer** Dr. D. K. Olukoya, 2013-12-16 Generally speaking, prayer means addressing or speaking to God in order to give thanks, ask for help, express your feelings, etc. However, there are levels of prayer. These levels of prayer determine the result you get at the end of the day. But it is certain that it is the effectual, fervent prayer of the righteous that avails much. Many people fail at the altar of prayer due to ignorance about the mysteries of prayer. This book will teach you these mysteries and equip you to get to that level where you prevail always in prayer.
