

Introduction - Grade 9 English–Language Arts

The following released test questions are taken from the Grade 9 English–Language Arts Standards Test. This test is one of the California Standards Tests administered as part of the Standardized Testing and Reporting (STAR) Program under policies set by the State Board of Education.

All questions on the California Standards Tests are evaluated by committees of content experts, including teachers and administrators, to ensure their appropriateness for measuring the California academic content standards in Grade 9 English–Language Arts. In addition to content, all items are reviewed and approved to ensure their adherence to the principles of fairness and to ensure no bias exists with respect to characteristics such as gender, ethnicity, and language.

This document contains released test questions from the California Standards Test forms in 2003, 2004, 2005, 2006, 2007, and 2008. First on the pages that follow are lists of the standards assessed on the Grade 9 English–Language Arts Test. Next are released passages and test questions. Following the questions is a table that gives the correct answer for each question, the content standard that each question is measuring, and the year each question last appeared on the test.

The following table lists each strand/reporting cluster, the number of items that appear on the exam, and the number of released test questions that appear in this document.

STRAND/REPORTING CLUSTER	NUMBER OF QUESTIONS ON EXAM	NUMBER OF RELEASED TEST QUESTIONS
• Word Analysis	8	17
• Reading Comprehension	18	27
• Literary Response and Analysis	16	20
• Writing Strategies	20	25
• Written Conventions	13	25
TOTAL	75	114

In selecting test questions for release, three criteria are used: (1) the questions adequately cover a selection of the academic content standards assessed on the Grade 9 English–Language Arts Test; (2) the questions demonstrate a range of difficulty; and (3) the questions present a variety of ways standards can be assessed. These released test questions do not reflect all of the ways the standards may be assessed. Released test questions will not appear on future tests.

also enjoyed the seedier side of city life becoming entangled with violent petty criminals The heady mix of sex and espionage soon exploded With Profumo exposed as a fraud the government was left scrabbling to protect its reputation Had its war minister been duped by the Soviets into careless pillow talk instigated by a Communist sympathiser Both Ward and Keeler would become victims of the subsequent witch hunt Ward would die by suicide and Keeler was branded a whore and liar The Profumo Affair was the scandal that rocked the 60s But how and why did a brief romance between a married MP and a young showgirl go on to shatter so many lives and bring down the government of Harold Supermac Macmillan Using the official Denning Report recently released archival material and the accounts of those involved Vanessa Holburn pieces together this surprisingly relatable story and asks what really happened behind the headlines
