BOKO HARAM CHIBOK GIRLS AND ALL MATTERS NIGERIA SECURITY ,2015-04-21 **Boko Haram Chibok Girls and All Matters Nigeria Security** Emenike Ezedani,2015-05-29 The kidnap of schoolgirls from government owned Girls Secondary School Chibok Bornu State Nigeria on April 14 15 2015 was the act that woke the world up to a Nigerian group Boko Haram that has waged a campaign of violence against the Nigerian state since 2009 Ever since the kidnap there has been more kidnaps more destruction more deaths etc One year later the 219 girls have not been found The book studies the Islamist insurgency the abductions and the large security issues for Nigeria region and world 11 chapters Photo illustrations Tables **Criminal justice and accountability in Africa: Regional and national developments** Rashida Manjoo,Dominique Mystris ,Mashood Baderin,2022-10-01 Historically Africa has suffered from numerous conflicts which are typically addressed through international criminal law mechanisms and courts but the need for a broader approach is both evident and demanded This book pulls together the debates originating from the conference Criminal Justice and Accountability in Africa National and Regional Developments and highlights the different approaches and mechanisms used to date and what can be taken from them to advance justice and accountability across the African continent **Veiled Threats** Mia Bloom,2025-02-15 Veiled Threats challenges the idea that women in violent terrorist groups lack agency Too often these women are assumed to be controlled by men their fathers their husbands or some other male relative Mia Bloom contests this narrow understanding Although extremist groups often control different aspects of women s lives including their religious obligations or dress jihadi women have asserted themselves in myriad ways Bloom interrogates the prevailing perceptions about women s involvement in violent extremism exclusively as victims manipulated drugged or coerced Following her pioneering work on women in Bombshell Bloom lifts the veil of the secret world of women in jihadi groups to provide a nuanced and complex explanation of their motivations and challenge misperceptions about women s agency Veiled Threats explores the range of roles of the women involved in jihad not only across secular and religious groups but within affiliated religious groups and examines how these extremist groups have used rape as a weapon of war Bloom explains how women are used and abused deployed and destroyed and the many ways in which their roles in terrorism have evolved over the past three decades **FOTO HARAM** ,2015-05-02 hundreds of photos from Boko Haram conflict **On the Crisis of Boko Haram Terrorism** Sogo Angel Olofinbiyi,2023-10-01 The book provides a pentapartite theoretical analysis of socio economic factors as the grand basis for the evolution of Boko Haram terrorism in Nigeria It describes the terrorism as a by product of unresolved conflict emanating from unequal hegemonic power exchange with respect to the non fulfillment of socio economic goals between the political state and the citizenry Rather than follow the popular notion of religion as the root causes of Boko Haram crisis the book widens its scope to cover terrorism as a whole with a view to laying a more viable foundation for its readers to understand the concept of terrorism provoking causes and perspectives as well as influential

factors that may interplay to sustain extremist terrorism in contemporary global society Using Boko Haram as a potentially useful model the book contends that the discursive framework of terrorism cannot be isolated from its socio economic perspectives In view of the foregoing the simplistic response to resolving terrorism crisis in Nigeria still lies at the heart of ameliorating the socio economic conditions of the citizens via the political state The book will be appropriate for individuals whose interests are vested on terrorism and homeland security terrorism and counterterrorism studies criminal justice and organized crime terrorism and political violence African politics peace and conflict resolution as well as security and conflict management Counter terrorism experts policy makers academic scholars intelligence and security operatives will also find this book resourceful Ultimately as interest in terrorism studies continues to grow exponentially among Sociologists Anthropologists and Criminologists it is my utmost quest to provide the most invaluable themes and updated theories in terrorism research for use by independent researchers students and academics seeking to advance empirically and theoretically driven research in the fields of terrorism homeland security and related crimes

Contemporary Nigerian Politics A. Carl LeVan, 2019-01-17 Looks at how Nigeria's political parties compete for power in a context of transition terrorism and religious and ethnic tension

Conspiracy of Silence Azukaoma Uche Osakwe, 2022-08-28 Nigeria is rife with divisions particularly between Christians and Muslims Both groups aim at converting others and so they are in direct conflict with each other The bitterness came to a head when Goodluck Jonathan a Christian succeeded his former boss Musa Yar Adua upon his death Jonathan would serve as president from 2010 to 2015 The northern oligarchy was infuriated because they depended on rent and patronage which they knew would not be feasible under a Christian president They employed every tactic they could to destabilize his regime and in 2015 he lost the presidential election to the former military head of state Gen Muhammadu Buhari In this book the author lays out how politics in Nigeria is no longer based on what politicians can do for the community Rather the focus is on what they can do for themselves There is no more catching fish for God The religion they follow is based on stealing from the people Buhari was presented as an agent of change but his seven years in charge have only brought pain bloodshed anarchy and more turmoil Something must be done to move Nigeria away from the precipice Praise for Conspiracy of Silence Azukaoma Uche Osakwe's book is another in a growing list of sad narratives on the failure of leadership in Nigeria under the leadership of Muhammadu Buhari's Administration The book painstakingly combs through the many ills of Nigerian society under Buhari and the collapse of such institutions as the police army electoral body government officials and the various ethnic nationalities He accuses these people of conspiring to stay mum amid terrible governance The author charges the citizenry as well as the Igbo Nation which he says are marginalized to buckle up and take what remains of their destiny in their own hands Jude Atupulazi editor in chief Fides Newspaper Awka Nigeria Conspiracy of Silence this book must necessarily take a long title It would indeed be difficult to capture the Muhammadu Buhari era as president of Nigeria with an elegantly titled book The simple reason is that the Buhari tenure was devoid of neither elegance nor finesse Conspiracy of Silence encapsulates this rather dark epoch in fine detail warts and all It's a racy report of Africa's giant caught in the vice grips of mediocrity and mendacity in equal measures It's stranger than fiction Steven Osuji columnist and former member of the editorial board The Nation Nigeria
