### **Bonniest Companie Kathleen Jamie:**

*The Bonniest Companie* Kathleen Jamie, 2015 In her extraordinary new collection Kathleen Jamie examines her native Scotland a country at once wild and contained rural and urban and her place within it In the author s own words 2014 was a year of tremendous energy in my native Scotland and knowing I wanted to embrace that energy and participate in my own way I resolved to write a poem a week and follow the cycle of the year The poems also venture into childhood and family memory and look to ahead to the future The Bonniest Companie is visionary response to a year shaped and charged by both local and global forces and will stand as a remarkable document of our times      **Selected Poems** Kathleen

Jamie, 2018-10-18 Kathleen Jamie s Selected Poems gathers together some of the finest work by one of the foremost poets currently writing in English Although Jamie is perhaps best known for her writing on nature landscape and place Selected Poems shows the full and remarkably diverse range of her work and why many regard her work as crucially relevant to our troubled age No poet currently writing has a keener eye or ear no poet has paid more careful attention to the other consciousnesses with whom we share the planet and no poet has Jamie s almost miraculous ability to show us just how the world might look when the human eye ceases to gaze on it This exceptional collection of poetry spanning several decades allows readers to chart the development of one of our most important contemporary talents and serves as perfect introduction to her work      **Post-Romantic Aesthetics in Contemporary British and Irish Poetry** Stefanie

John, 2021-06-23 This book demonstrates the legacies of Romanticism which animate the poetry and poetics of Eavan Boland Gillian Clarke John Burnside and Kathleen Jamie It argues that the English Romantic tradition serves as a source of inspiration and critical contention for these Irish Welsh and Scottish poets and it relates this engagement to wider concerns with gender nation and nature which have shaped contemporary poetry in Britain and Ireland Covering a substantial number of works from the 1980s to the 2010s the book discusses how Boland and Clarke as women poets from the Republic of Ireland and Wales react to a male dominated and Anglocentric lyric tradition and thus rework notions of the Romantic It examines how Burnside and Jamie challenge adopt and revise Romantic aesthetics of nature and environment The book is the first in depth study to read Boland Clarke Burnside and Jamie as post Romantics By disentangling the aesthetic and critical conceptions of Romanticism which inform their inheritance it develops an innovative approach to the understanding of contemporary poetry and literary influence      **Travel and Intercultural Communication** Eva Lambertsson Björk, Jutta
