VINCENT, 2025-03-14 Once again we have written our ideas on Trouser Cutting The system herein described is so simple that the veriest novice may learn it and cut smart fitting garments by it after a few hours study but at the same time embracing problems so difficult that many of them still remain unsolved We trust and believe this work will be found an advance on all our previous efforts The Essay which won the Federation Prize was our first attempt and of this the Secretary of the Federation wrote The very exhaustive nature of the first part of this elaborate essay is in itself an excellent work upon Trouser Cutting in every shape and from added to this the elaborate treatment of objects with so many excellent diagrams completes a work upon cutting that has no rival As edition after edition was sold out we revised and enlarged upon the principals there laid down and now after a lapse of fourteen years we have remodelled the system greatly improving it in certain directions simplifying it where possible and illustrating its application to a large number of styles never before treated in this way If the verdict of the trade on our first effort was a favourable one we have little doubt it will be equally appreciative of this one which not only contains the results of the research and experience of our younger years but also the fruit of the maturer thought of added years and enlarged experience This work whilst being complete in itself and thoroughly exhausting its own theme forms part of a series of books treating of every phase of a cutter s experience by the aid of which we hope to place in the hands of the young man who aspires to a position in the cutting room a book which will supply him with information of a practical and helpful character under every circumstance of his professional life **The Guide to the Stage** Lemman Thomas Rede, 1861 **Army Regulations** United States.
