Bold Spirit Helga Estbys Forgotten Walk Across Victorian America:

Bold Spirit Linda Lawrence Hunt,2007-12-18 In 1896 a Norwegian immigrant and mother of eight children named Helga Estby was behind on taxes and the mortgage when she learned that a mysterious sponsor would pay 10 000 to a woman who walked across America Hoping to win the wager and save her family s farm Helga and her teenaged daughter Clara armed with little more than a compass red pepper spray a revolver and Clara s curling iron set out on foot from Eastern Washington Their route would pass through 14 states but they were not allowed to carry more than five dollars each As they visited Indian reservations Western boomtowns remote ranches and local civic leaders they confronted snowstorms hunger thieves and mountain lions with equal aplomb Their treacherous and inspirational journey to New York challenged contemporary notions of femininity and captured the public imagination But their trip had such devastating consequences that the Estby women s achievement was blanketed in silence until nearly a century later Linda Lawrence Hunt encountered their extraordinary story

Bold Spirit: Helga Estby's Forgotten Walk Across Victorian America Linda Lawrence Hunt,2005-01-01 Helga Estby left Spokane Washington and walked to NYC on a 10 000 challenge This remarkable story of hardship and suffering was long lost and only recently discovered by the author On Christmas Eve 1896 the New York World reported her arrival What followed was an American tragedy

Bold Spirit Linda Hunt,2003 *The Spirit Stills the Storms* Sam Lien Le,2010-04 The last person was pulled onto the boat All commotion suddenly died out and the engine roared alive The boat at full speed left the mouth of Cam Ranh Bay heading east into the unknown waters of the high seas It was 2 00 a m on October 12 1979 Here and there hundreds of tiny lights of night fishing boats danced and twinkled in the morning hours How many of them I wondered are patrol boats After multiple trips to Communist prison camps Lien Le knew that only death awaited him He soon began plotting his and his family s escape from Vietnam working out intricate details in the secrecy of the night Even after several failed attempts and years of planning his faith remained giving him the determination and the hope to press on The Spirit Stills the Storms From Tyranny to the American Dream is his bold journey to freedom one in which he risked all for his dreams of a better tomorrow His gifted storytelling filled with detailed description gives readers a firsthand glimpse of the prison camps perilous escape attempts overcrowded boats typhoon plagued passages and beyond leaving them with a newfound sense of appreciation and wonder for life liberty and the ever present spirit which stills the storms

Trekking across America Lyell D. Jr. Henry,2024-10-30 For several decades following the end of the Civil War the most popular sport in the United States was walking Professional pedestrians often covered 500 miles or more for up to six grueling days and nights in pursuit of large money prizes Walking was also a favorite amateur sport newspapers often noted a pedestrian mania or walking fever that only began to give way in the mid 1880s to fast rising crazes for baseball bicycling and roller skating As competitive walking faded a new kind of spectacle walking which had also begun in the late 1860s came to full flower Between 1890 and 1930 hundreds of men women even children and entire families were on the

nation's roads and railroad tracks trekking between widely separated points sometimes moving in unusual ways such as on roller skates or by walking barefooted backward on stilts or while rolling a hoop To finance their attention seeking journeys many sold souvenir postcards The public usually found these performers entertaining but public officials and newspaper editors often denounced them as nuisances or frauds Tapping vintage postcards and old newspaper articles this is the first book to bring back to view this once familiar feature of American life

Walk of Ages Jim Reisler, 2015-02 On his seventieth birthday in 1909 a slim man with a shock of white hair a walrus mustache and a spring in his step faced west from Park Row in Manhattan and started walking By the time Edward Payson Weston was finished he was in San Francisco having trekked 3 895 miles in 104 days Weston's first epic walk across America transcended sport He was everyman in a stirring battle against the elements and exhaustion tramping along at the pace of someone decades younger Having long been America's greatest pedestrian he was attempting the most ambitious and physically taxing walk of his career He walked most of the way alone when the car that he hired to follow him kept breaking down and he often had to rest without adequate food or shelter That Weston made it is one of the truly great but forgotten sports feats of all time Thanks in large part to his daily dispatches of his travails from blizzards to intense heat rutted roads bad shoes and illness Weston's trek became a wonder of the ages and attracted international headlines to the sport called pedestrianism Aided by long buried archival information colorful biographical details and Weston's diary entries *Walk of Ages* is more than a book about a man going for a walk It is an epic tale of beating the odds and a penetrating look at a vanished time in America

Pilgrimage through Loss Linda Lawrence Hunt, 2014-02-24 *Pilgrimage Through Loss* tells the story of one family's journey after the loss of a child and how they hope their journey can provide lessons for other parents dealing with that most heartbreaking of losses Using her own story and the stories of other parents who have lost children Hunt discusses several steps that grieving parents take along the pilgrimage Rather than prescribing a path that will lead to recovery Hunt shows us the many paths that parents will take after the death of a child and encourages them to find the path that works for them Questions for discussion and reflection are included for each chapter This book helps grieving parents and other survivors such as siblings and friends along their way toward survival and recovery
