Bolo The Annals Of The Dinochrome Brigade:

Bolo Keith Laumer, 2016-02-29 Unrivaled in the history of artillery and unsurpassed in its ability to reason Bolo replaced man in that most human of endeavors war In these scintillating tales of the ever advancing Dinochrome Brigade the most effective weapons ever devised tell their own story in action packed chronicles of extra terrestrial adventure Bolo fighting in proud combat as monster saviors of their human creators **Bolo ; the Annals of the Dinochrome Brigade...stories**

Keith Laumer, 1977 **What Do I Read Next?**, 1994 The Great Time Machine Hoax Keith Laumer, 2016-03-24 Chester W Chester IV inherits a run down mansion and millions in back taxes In order to pay the taxes he initially decides to auction off the mansion and its contents but then he discovers a massive computer the Generalized Nonlinear Extrapolator or Genie that can bring any situation or time to life **The Time Bender** Keith Laumer, 2016-03-24 Draftsmen can't fight dragons

Then again that's usually no problem they generally don't have to But Lafayette O Leary does When an accidental overdose of self hypnosis wrenches him out of the dull but safe Mrs MacGlint's Clean Rooms and Board and deposits him in the feudal bedragoned world of Artesia it takes him a little while to catch on even with the attentions of the beautiful Princess Adoranne Then he decides that he likes this new life of his except for the part where he's supposed to get killed **Catastrophe**

Planet Keith Laumer, 2016-04-28 The Earth was in shambles after the final quake had leveled the cities For Mal Irish the last hold on reality was the embossed gold coin he had taken from the pocket of the dead man the man who with his last breath had told him of mastodons buried in ice and men who weren't human Once in possession of the coin Mal found himself on a mysterious quest which led him to discover even stranger things the girl who spoke the language of another world the city under the ocean floor and the deadly little men who followed him He was in the power of something beyond his understanding and he meant to find out its source before it put him to its own unfathomable uses **End as a Hero** Keith

Laumer, 2016-03-24 Mankind was at war with the hideous Gool and losing Then beyond Ganymead one man fought the searing brain probe of an alien spy and won He mastered the power of its telepathic mind control captured the secret of its matter transmitters and learned how to destroy the Gool Overlords He called intelligence with news of the victory and headed home Straight into a barrage of Terran nuclear warheads Past missiles shells and assassins he made it home alone badly wounded and branded a traitor by conventional Terran wisdom that said no one could survive the Gool brain probe No one that is except a brainwashed puppet deliberately allowed to survive to serve the Goos as a spy But he must survive Earth's attempts to kill him because no matter how much his fellow humans want him dead he knows that he is the only one who can lead them against the Gool and have a chance at victory *Galactic Diplomat* Keith Laumer, 2016-04-28 Retief is an officer of the distinguished Corps Diplomatique Terrestrienne a supra national organization devoted to keeping the peace or more accurately to maintaining a state of tension short of armed conflict Retief is not exactly in the mainstream of current Galactic diplomacy as expounded by such giants of the C D T as Crodfoller Hidebinder Straphanger and his own immediate

superior Magnan Deviously sincere uncompromisingly venal fearlessly cowardly these great dedicated public servants will seem curiously familiar as they strive to keep the peace seven hundred years in the future But when Retief s on the scene things have a way of coming right in the end Contents Ultimatum Saline Solution The Brass God The Castle of Light Wicker Wonderland Native Intelligence The Prince and the Pirate Courier Protest Note *Retief to the Rescue* Keith

Laumer,2016-03-24 Retief returns to make the galaxy safe for diplomacy The diplomat extraordinaire faces his ultimate challenge on the embattled planet Furtheron to keep the peace and keep himself in one piece Voracious Crawlies cannibals want him for dinner while the wily Creepies are besieging Earth s embassy Then greedy Groacians add fuel to the fire igniting civil war for their own secret ends Only a rare diplomat can pull his Corps out of this stew save his boss s hide and preserve the future of the Galaxy **The Shape Changer** Keith Laumer,2016-03-24 Lafayette O Leary to his acute

discomfiture has an exhilarating and terrifying tendency to slip continua And what might that mean It might mean finding oneself a gypsy with a ring in his ear at one moment and then suddenly a crippled birdman unable to leave his nest because of the awkward loss of teleporting talent It might mean battling one s way back to the time stream where he started only to find himself already there lording it over the populace like a tyrant *The Galaxy Builder* Keith Laumer,2016-03-24 The

world as Lafayette O Leary knew it disappeared in a flash Perhaps it was his own doing after all he had the uncanny gift of creating alternate realities by sheer mental power But the result was a nightmare gone out of control All O Leary wanted was to find his wife and return to the familiar world of Artesia Yet no sooner did he manage to extricate himself from one bizarre situation than he was thrust into another equally threatening There was only one thing to do he had to penetrate the very center of power from which his destiny was being controlled and take it into his own hands Star Colony Keith

Laumer,2016-03-24 Coming in fast and low the huge ship made planetfall Three years out from Terra the colony ship Omega had reached her destination and the crew began to off load the cargo and passengers Then the ship vanished Against the vast panorama of an unexplored universe Keith Laumer sets this first volume of the history of the world called Colmar mankind s first venture among the stars **Retief's War** Keith Laumer,2016-03-24 The twenty seventh century planet of Quopp is a

world where Earthmen walk cautiously or not at all The inhabitants are weirdly diabolical creatures possessing spoked wheel limbs and sprouting steel sharp talons Plans are afoot to place these singular beings under a single government friendly to Earth But Jame Retief officer of the distinguished Corps Diplomatique Teresstienne a supra national organization devoted to keeping the peace has discovered that evil forces are undermining the whole scheme Deviously sincere uncompromisingly venal fearlessly cowardly Retief goes to work against mounting planetary intrigue and more than once brings those around him to the brink of nervous collapse Zone Yellow Keith Laumer,2016-02-29 Brion Bayard once of our own timeline and now Imperium Agent extraordinaire had been on some pretty dangerous missions before but never had he encountered so noxious a foe as the invading legions of giant plague ridden rats who walked like men spreading disease across the multiple

universes of the Imperium Unless Bayard can travel to the original world of the long tailed invaders and stop the plague at its source the Earth of the Imperium and all the other Earths in all the universes will fall before the verminous hordes from a timeline that should never have existed in the first place **Worlds of the Imperium** Keith Laumer,2016-03-24 An American diplomat trapped in a world he never made At first Brion Bayard was relieved to discover that his kidnappers were very apologetic and very British Then he learned that they were not from Earth *Retief in the Ruins* Keith Laumer,2016-03-24 It s a rare day when Terrans meet eye to eyestalk with the slimy little sticky fingers er that is to say the noble alien Groaci This time the races clash on the planet Popu Ri once the home of a mighty interstellar power Popu Ri has sunk into decline but its ancient treasures remain Though not for long if the Groaci have their way Groaci also finds Popu Ri just the place to build a galactic warfleet Still for the Corps Diplomatique Terrestrienne to respond would threaten the delicate balance of human Groaci forces on the cocktail circuit Therefore the ambassador must keep the lid on by doing nothing But how to do nothing without seeming an ineffectual pantywaist Send an observer Yep the Ambassador has it all figured out But he made one little mistake he sent Retief *The Infinite Cage* Keith Laumer,2016-03-24 When he awakens in a skid row alley Adam knows nothing Not who he is nor where he s from Money is a mystery So are women All he begins his new life with is a will to survive But he learns fast first how to get away then how not to have to In the beginning Adam wants to be friends with us Before he s through he just might run the human race off its feet *The Ultimax Man* Keith Laumer,2016-02-29 In the next few days you will master the rules and techniques for every activity skill talent sport and art ever mastered by any human being anywhere You will be as expert at clipping flints as at architectural drawing You will be able to juggle walk a tightrope and add the numerals on the sides of passing freight cars as fast as any idiot savant You ll absorb all the information in all the books the human race s entire heritage of knowledge This was only the beginning of the experiment that was to turn a petty thief into the mos brilliant and powerful man ever to hold the earth in thrall This was only the first step on the path of conquest mapped out for THE ULTIMAX MAN **Time Trap** Keith Laumer,2016-03-24 ABE LINCOLN IN AFRICA He was seen and photographed in a Tunisian bazaar And an ancient Spanish galleon fully crewed with ancient Spaniard was taken in tow off Tampa by the Coast Guard and a few luckless people found themselves living the same day over and over and over Something was badly wrong with Time but Roger Tyson didn t know it until he met the lovely agent from elsenwhen and started on a mad chase through the dimensions plagued by a motley bunch of temporal castaways and pursued hotly by Oob the Rhox *Retief and the Warlords* Keith Laumer,2016-02-29 Across the galaxies against wrongdoers and rogues Only Retief the indomitable champion of the underdog and 27th century diplomacy can seal the peace between the battling earthlings and the lobster like aliens known as the Haterakans In constant peril the daring spacewarrior must join a pirate band cross the fatal boundaries of the Terran Defense League and take on his arch rivals Foulbrood and Bloodblister Facing certain torture double dealing and ruthless espionage he passes within inches of death

But he must emerge victorious or the Hatracks will waste no time in executing their berserk plan to raise earthlings as a food supply
