God, Why Didn't He Cover Me? Karen D. Reid, 2008-11-20 GOD WHY DIDNT HE COVER ME DISCLAIMER This is not the typical tell all story it is an uncompromising expose Emotionally and sexually abused by religious leaders God has anointed me in the area of my affliction to purely expose the devices of Satan and challenge the Body of Christ to raise the standard of holiness purity and integrity As I am willing to become transparent in this three part series From Mistress to Ministry my testimony capitalizes on scriptural references and information in conjunction with past experiences to present a biblical reformation that will

promote genuine holiness in a wayward church The principle of spiritual warfare is that we must be called to order before we can advance to the next level of victory My objective is three fold to nurture damaged spirits to foster a healing process for victims of abuse and to present the deliverance that repentance brings to those who are trapped in sexual sins Pastors can God count on you to avoid the damaging effects of committing spiritual incest Husbands can your wives trust you to shun the immoral acts of adultery fornication Fathers can your daughters lean on you to steer clear of raping them of their innocence Teachers can our children expect you to be mentors and not molesters Executives can your subordinates rely on you to refrain from sexual harassment violations Political officials can your citizens depend on you to protect us against economic hardship President of the United States can God trust you to call this nation back to Him and snatch us out of the hand of the enemy More than mere members of an organization or a population we are your sons and daughters Powerful ambassadors of God will you cover us in our imperfections and not continue to exploit our vulnerabilities For the time is come that judgment deliverance through investigation or examination must begin at the house of God When the Kingdom of God does not influence the nation through truth and righteousness the leadership of the nation is not equipped to positively affect its citizens However the nation cannot be healed until the church has been cleansed Thus we can not afford to remain complacent to the issues of clergy misconduct and the abuse and misuse of spiritual power Secret issues can only be eradicated by exposing old wounds otherwise hidden infection will inevitably spread throughout the Body In presenting this 21st century exposition of the consequences of making ungodly decisions I minister based on where I am after I have judged myself based on where I was Therefore seeing we have this ministry as we have received mercy we faint not but have renounced the hidden things of dishonesty not walking in craftiness nor handling the Word of God deceitfully but by manifestation of the truth commending ourselves to every mans conscious in the sight of God II Cor 4 1 2 *Speak Your Healing from the Homosexual Deception* Bonnie M. Egglehand, 2014-10-08 The lies of homosexuality dissipate because a life of purity in Christ Jesus decidedly removes the homosexual deception Each step toward Jesus brings us closer to His image and we are changed We emerge free to be exactly whom Father God created us to be Leaving all secrets with honesty and transparency before God and man forgiving ourselves and all abusers we emerge in our true identity with a heterosexual desire This desire for the opposite sex is as natural as apple pie Leaving the judgments the facades the sins and all idols the stark truth remains Our true identity is found in Jesus Christ alone *A Pastor's Wife Survived the Mistress* Destiny Boaz, 2016-07-05 According to the author for the past 20 years in the church world and in the business world many great marriages and families have fallen apart Leaders have failed to give their followers and supporters closure about what really happened in their marriages Especially in the church world many are left hanging and hurting because they have lost trust Destiny Boaz a pastor s wife is the first to bring out a true open honest and transparent story to let her readers know why and how her own marriage fell apart She believes that healing must take place in the lives of God s people Closure is very

important for one to move forward This book will appeal to readers men as well as women because the home is in trouble and marriages are in trouble Sometimes they feel something is wrong but they are unable to put their finger on it This book will help them identify why the intimacy in their marriage is over why the communication in the relationship is dying why the intimacy goes cold and the passion dies Contact Information Email destinyboaz yahoo com www destinyboaz com **Laugh and Cry Your Way to Freedom** John R.
