Dorothy Day for Armchair Theologians Elizabeth L. Hinson-Hasty, 2014-01-01 Dorothy Day was more than an armchair theologian enjoying casual conversations about theology with friends from the comfort of her easy chair She was a theologian with street cred Day commands respect because of her experience living among with and as the marginalized Her awareness and knowledge of the challenges faced by people living in poverty stemmed from and were shaped by her relationships with them The presumed distance of academic objectivity does not apply to her story She did more than think and talk about her faith she embodied it She did more than challenge the failures of the Christian church or surrounding local community to address the needs of people in poverty she created new community from the introduction

Paeth, 2014-01-15 This volume offers a compelling introduction to the life times and theological thought of H Richard and Reinhold Niebuhr the two most important American theologians of the twentieth century Although the Niebuhr brothers shared the same heritage and experienced many of the same formative moments their thought diverged at key points as their lives and careers developed Scott R Paeth s expert introduction to the Niebuhr brothers explores this history and the enduring influence of the Niebuhrs on religious and political thought This lively introduction which includes witty illustrations from Ron Hill is an essential resource for understanding these enduring theological figures

Dietrich Bonhoeffer Traugott Jähnichen, Pascal Bataringaya, Olivier Munyansanga, Clemens Wustmans, 2019 This volume is the documentation of a workshop at the Dietrich Bonhoeffer Centre for Public Theology in Kigali that took place in February

2018 and discussed what can be gained from Bonhoeffer's theology for contextual theologies in Africa as well as in Europe. The core feature of the workshop in February 2018 was a competition in which students from Butare Huye presented the findings of their examination of Dietrich Bonhoeffer's life and work. The prize-winning contributions are documented in this volume. Papers from the European perspective were contributed by doctoral candidates and students of the Ruhr University Bochum and the chairing and commentary of the event was shared amongst Dr Clemens Wustmans Berlin, Dr Christine Schliesser Bern, the President of the Presbyterian Church in Rwanda, Dr Pascal Bataringaya Kigali, the Dean of the Theological Faculty of the Protestant Institut of Arts and Social Sciences, Olivier Munyansanga Ph D Huye Rwanda and Prof Dr Traugott Jhnichen Bochum.

The Church for the World Jennifer McBride, 2014-03-05. Drawing on the work of German pastor-theologian Dietrich Bonhoeffer, Jennifer McBride constructs a new theology of public witness for American Protestant church communities based on the public expression of repentance and redemption.

Bonhoeffer for the Church Matthew D. Kirkpatrick, 2024-04-09. Dietrich Bonhoeffer is one of the most widely read Christian writers of the twentieth century. Although his work has been influential among academics, his widest readership has always been the church. Each Sunday, Bonhoeffer's writings are referenced in sermons and study groups around the world. And yet, no systematic introduction to Bonhoeffer exists for this audience. In *Bonhoeffer for the Church*, Matthew Kirkpatrick corrects this omission. Structured around topics such as preaching, worship, sacraments, prayer, pastoral care, confession, evangelism, and apologetics, *Bonhoeffer for the Church* offers an accessible but comprehensive introduction to Bonhoeffer's life and thought for those in ministry or interested in understanding their life in community better. In making Bonhoeffer accessible for the church, Kirkpatrick also reveals Bonhoeffer's astonishing message to the church. Despite his well-known conflicts with the churches and church leaders of his time, the church remained for Bonhoeffer the foundation for God's redeeming activity to the world and in individual lives. Drawing on the full range of his writings, including his less well-known sermons, diaries, and letters, *Bonhoeffer for the Church* presents this astonishing vision and shows how Bonhoeffer can revitalize and inspire the life and ministry of the church and our individual relationships. For those who struggle in their ministry, doubt the relevance of the church, or who simply need to be reenergized in their relationships with other Christians, *Bonhoeffer for the Church* offers a crucially important message.

The Hidden Peace Joel Muddamalle, 2024-03-05. ECPA Bestseller. The peace we long for begins with coming to the end of ourselves. There are inescapable aspects of life we are all marked by. We have less control than we want, more anxiety than we're comfortable with, and just enough insecurity to continually remind us of our shortcomings. To experience these things is to be human. We aren't superheroes, and invincibility isn't an option. But humility is. Whether we've incorrectly defined it or underestimated its relevance to our daily life, humility is the missing piece for the security, strength, and confidence we all want. It's time to stop trying so hard to avoid our limitations or overcompensate for them. God has better for us, and it begins with bowing low in humility. With relatable stories, practical wisdom, and biblical theology broken

down into digestible takeaways The Hidden Peace by Dr Joel Muddamalle will help you Overcome the fear of being found out or looking like a fraud by realizing God s intent for shortcomings and weaknesses Walk through hurtful situations in the most God honoring way by gaining a true understanding of biblical humility Answer the question why do bad things happen to good people by learning a perspective shift that will change how you process suffering Know confidently that you re living with purpose and being used by God through seven ways to practically live like Him today Be led by the biblical definition of self awareness so you can experience the unexpected ways it brings safety and security to your life Stop believing the lie that theology is out of touch or too difficult to comprehend as Joel shows you how to dig into scripture and study it yourself Weakness is not your enemy Planted in the soil of humility weakness becomes a means to gaining more strength and more peace

Radical Lutherans/Lutheran Radicals Jason A. Mahn,2017-06-09 Can a Lutheran be sociopolitically radical Can a radical be theologically and faithfully Lutheran This book answers yes Written by teacher scholars from five ELCA colleges Radical Lutherans Lutheran Radicals follows Martin Luther Soren Kierkegaard Dietrich Bonhoeffer Dorothee Soelle and others as they sink deep roots in the Lutheran Christian tradition while simultaneously resisting the status quo with their words their deeds and sometimes their very lives Each chapter shows how the Lutheran theologian returns to the roots of Luther s life and writing and puts them toward radical social and political ends including critiques of cultured Christianity resistance to state or market preferential options for the poor and suffering deep commitments to peace justice and ecological sustainability and direct nonviolent resistance The book highlights theological themes popularized by Luther justification by grace two kingdoms thinking theology of the cross and vocation and then shows how these theological staples when deeply and creatively retrieved can inform political protest intentional living and other countercultural movements The compelling claim throughout is that Luther s theology at its root has resources for radical political participation and social transformation as exemplified by the writings and lives of these radical Lutherans Lutheran radicals
