Bonhoeffer's Black Jesus Harlem Renaissance Theology And An Ethic Of Resistance:

Bonhoeffer's Black Jesus Reggie L. Williams, 2014 This ethic of resistance not only indicted the church of the German Volk but continues to shape the nature of Christian discipleship today Courtney H Davis St Bernard s School of Theology and Ministry Journal of the Society of Christian Ethics **The Oxford Handbook of Dietrich Bonhoeffer** Michael

Mawson, Philip G. Ziegler, 2019 This Handbook offers an overview of Dietrich Bonhoeffer s 1906 1945 biography and intellectual context his contributions to all areas of doctrinal theology ethics and public life the significance of his thought for some contemporary issues and debates and an evaluation of some existing resources for studying Bonhoeffer

Transfiguring a Theologia Crucis through James Cone Brach S. Jennings, 2023-10-18 Brach S Jennings unites thematic investigations into hermeneutics and material dogmatics related to fundamental theology with a concern for contemporary situations of global oppression in order to propose a new theologia crucis through James H Cone s Black Theology of Liberation Jennings s study connects a theology of wisdom sapientia with political prophetic theology for the three publics of academy society and church today *Dietrich Bonhoeffer's Christian Humanism* Jens Zimmermann, 2019 An innovative study of the theology of Dietrich Bonhoeffer which elucidates that his work teaches and represents a Christian humanism that is also present in the wider Christian tradition **Bonhoeffer's Reception of Luther** Michael P.

DeJonge, 2017 This study considers the influence of Martin Luther s theology on Dietrich Bonhoeffer with particular reference to justification ecclesiology the doctrine of the two kingdoms and political ethics The Gathering, A Womanist Church Irie Lynne Session, Kamilah Hall Sharp, Jann Aldredge-Clanton, 2020-08-21 A womanist church has great power to transform church and society primarily because womanist theology centers the experiences of Black women while working for the survival and wholeness of all people and all creation Experiences of the triple oppression of racism sexism and classism give Black women an epistemological insight into recognizing injustice and creating solutions that benefit all The Gathering is unique the only church founded and identified as womanist applying womanist theology to the full life and worship of a church The Gathering a womanist faith community in Dallas Texas welcomes all people to partner in pursuing racial equity LGBTQ equality and dismantling PMS patriarchy misogyny and sexism following Jesus in liberating the oppressed and lifting up the marginalized The Gathering A Womanist Church tells the story of the birth and ongoing development of a womanist faith community This book includes personal narratives of people transformed in this community womanist co pastors sermons informed by their experiences and those of other Black women and litanies for womanist worship The White Bonhoeffer Tim Judson, 2025-01-31 As we start to name an aspect of his existence which long remained unspoken namely his engagement and wrestling with his own identity as inhabiting a white body interpreting and understanding Dietrich Bonhoeffer today is perhaps more complex than ever The White Bonhoeffer offers the first serious attempt to understand the theologian s doctrine and writing through the lens of critical whiteness *Christian Ethics* Steve

Wilkins,2017-06-27 Steve Wilkins edits a conversation between four major approaches to contemporary ethics in the Christian tradition virtue divine command natural law and prophetic This accessible introduction includes contributions by Brad Kallenberg John Hare Claire Peterson and Peter Heltzel Conversations in Global Anglican Theology Michael Battle,2024-12-03 Reflections on urgent theological issues by established and emerging scholars across the Anglican Communion Featuring contributions by a diverse group of theologians from South and North the Conversations in Global Anglican Theology series addresses the most pressing questions facing the churches of the Anglican Communion From classical issues such as the imago dei and atonement theology to contemporary challenges such as interfaith relations and the interaction of church and state the series features thought provoking essays by established and emerging scholars This first volume edited by Michael Battle considers questions of faith and their impact across the Anglican communion Featuring contributions from writers across the Anglican communion the volume examines the first of Richard Hooker s pillars of Anglicanism from a variety of perspectives Deconstructing Racism Barbara Crain Major,Joseph Barndt,2023-01-10 Barbara Crain Major and Joseph Barndt bring ninety combined years of experience as community organizers teachers and anti racism trainers in community and church settings to this book In Deconstructing Racism they propose the deconstruction of racism s roots within systems and institutions that have been created both structurally and legally to serve white people The authors propose that the deconstruction of racism must take place through the reconstruction of these systems and institutions The authors seek to unmask the complexities of racism and the invisible patterns that keep it in place There is no quick fix but they believe racism can be deconstructed and undone In order to do this they identify and address race based identity history and cultural issues rooted in current systems Three chapters specifically address societal systems and provide anti racism strategies for community organizers Three chapters address racism as rooted in systems in the church and challenge people of faith to seek racial healing through understanding honest confession true reconciliation and reconstructed church institutions A final chapter outlines a way forward to and through a new era of anti racist reconstruction This way forward includes a new anti racist mission statement a new model of decision making power and new processes for accountability Discipleship in a World Full of Nazis Mark Thiessen Nation,2022-01-20 Things do exist that are worth standing up for without compromise To me it seems that peace and social justice are such things as is Christ himself These are words Dietrich Bonhoeffer spoke to his brother a few months before he began training future pastors in the ways of discipleship For several years he had been speaking out against war Near the beginning of the anti Semitic Nazi regime he called on his fellow Christians to speak out against a state that was engaging in oppressive measures to respond to victims of oppression and to be willing to suffer as a church if it was required to stop such oppression His vision for training disciples was rooted in pure doctrine serious worship a new kind of monasticism and the Sermon on the Mount Bonhoeffer was convinced that through the living presence of Jesus and the explosive teachings of the Sermon on the Mount lies the

force that can blow all this hocus pocus sky high like fireworks leaving only a few burnt out shells behind This is the legacy of this extraordinary theologian that this book seeks to recover exploring how this was lived out in a world full of Nazis

Bonhoeffer Peter Frick,2017-05-23 How are we to understand Bonhoeffer In these essays Peter Frick attempts to answer this question by examining different aspects of Bonhoeffer s thought thus illuminating the hermeneutical philosophical theological and social dimensions of his writings All sixteen essays collected here were written between 2007 and 2014 some of them address the question of methodology others contribute to Bonhoeffer s intellectual formation and still others seek to connect with contemporary questions The aim of the volume is to present Bonhoeffer s key theological and philosophical ideas and to emphasize their contemporary relevance **Radical Discipleship** Jennifer M. McBride,2016-12-15

Reminiscent of Bonhoeffer s Discipleship Jennifer McBride s Radical Discipleship utilizes the liturgical seasons as a

framework for engaging the social evils of mass incarceration capital punishment and homelessness arguing that to be faithful to the gospel Christians must become disciples of not simply believers in Jesus The book arises out of McBride's extensive experience teaching theology in a women's prison while participating in a residential Christian activist and worshipping community Arguing that disciples must take responsibility for the social evils that bar beloved community Martin Luther King's term for a just social order the promised kingdom of God McBride calls for a dual commitment to the works of mercy and the struggle for justice This work seeks to form readers into an understanding of the social and political character of the good news proclaimed in the Gospels Organically connecting liturgy with activism and theological reflection McBride argues that discipleship requires that privileged Christians place their bodies in spaces of social struggle and distress to reduce the distance between themselves and those who suffer injustice and stand in solidarity with those whom society deems guilty despises and rejects which makes discipleship radical as Christians take seriously the Jesus of the Gospels

A Theology of Race and Place Andrew Thomas Draper, 2016-08-26 In a world marked by the effects of colonial displacements slavery's auction block and the modern observatory stance can Christian theology adequately imagine racial reconciliation What factors have created our society's racialized optic a view by which nonwhite bodies are objectified marginalized and destroyed and how might such a gaze be resisted Is there hope for a church and academy marked by difference rather than assimilation This book pursues these questions by surveying the works of Willie James Jennings and J Kameron Carter who investigate the genesis of the racial imagination to suggest a new path forward for Christian theology Jennings and Carter both mount critiques of popular contemporary ways of theologically imagining Christian identity as a return to an ethic of virtue Through fresh reads of both the tradition and liberation theology these scholars point to the particular Jewish flesh of Jesus Christ as the ground for a new body politic By drawing on a vast array of biblical theological historical and sociological resources including communal experiments in radical joining *A Theology of Race and Place* builds upon their theological race theory by offering an ecclesiology of joining that resists the aesthetic hegemony of whiteness

Between the World of Ta-Nehisi Coates and Christianity David Evans, Peter Dula, 2018-10-24 Between the world of Ta-Nehisi Coates and Christianity there appears to be the widest difference Coates's brief comments on Christianity in his highly acclaimed *Between the World and Me* make clear that religious faith is alien to his own experience Still Christian audiences from congregations to theological schools engaged the text for its analysis of the state of race relations in the United States In September 2015 Ta-Nehisi Coates tweeted Best thing about *BetweenTheWorldAndMe* is watching Christians engage the work Serious learning experience for me This volume takes that tweet as an invitation to theologians ethicists and religious studies scholars to engage the book and as a challenge to do so in a way that is a learning experience for Coates the authors and readers

Bonhoeffer for the Church Matthew D. Kirkpatrick, 2024-04-09 Dietrich Bonhoeffer is one of the most widely read Christian writers of the twentieth century. Although his work has been influential among academics, his widest readership has always been the church. Each Sunday, Bonhoeffer's writings are referenced in sermons and study groups around the world. And yet, no systematic introduction to Bonhoeffer exists for this audience. In *Bonhoeffer for the Church*, Matthew Kirkpatrick corrects this omission. Structured around topics such as preaching, worship, sacraments, prayer, pastoral care, confession, evangelism, and apologetics, *Bonhoeffer for the Church* offers an accessible but comprehensive introduction to Bonhoeffer's life and thought for those in ministry or interested in understanding their life in community better. In making Bonhoeffer accessible for the church, Kirkpatrick also reveals Bonhoeffer's astonishing message to the church. Despite his well-known conflicts with the churches and church leaders of his time, the church remained for Bonhoeffer the foundation for God's redeeming activity to the world and in individual lives. Drawing on the full range of his writings, including his less well-known sermons, diaries, and letters, *Bonhoeffer for the Church* presents this astonishing vision and shows how Bonhoeffer can revitalize and inspire the life and ministry of the church and our individual relationships. For those who struggle in their ministry, doubt the relevance of the church, or who simply need to be reenergized in their relationships with other Christians, *Bonhoeffer for the Church* offers a crucially important message.

Barth, Bonhoeffer, and Modern Politics Joshua Mauldin, 2021 This innovative study brings together two areas of discourse that have not been connected before: interpretations of Barth and Bonhoeffer on one hand and narratives of modernity on the other.

The Routledge Companion to Christian Ethics D. Stephen Long, Rebekah L. Miles, 2023-01-01 The *Routledge Companion to Christian Ethics* brings together two different but related disciplines: the first is contemplative or theoretical, asking what are the beliefs or doctrines

that characterize Christianity whilst the second is practical asking what are the ethical practices that attend its teachings. The movement between the theoretical and practical aspects is not however one way as doctrine and life are mutually informing. In this comprehensive volume leading scholars address key topics, problems and debates in this hotly debated topic within a truly global context. Comprising over 35 chapters by a team of international contributors, the handbook is divided into three parts based on the three persons of the Trinity: God the Father, God the Son, and God the Holy Spirit. Within these sections cutting edge issues are examined including God and genetics, War, peace and violence, White supremacy, Creation and sexuality, Digital ethics, Transgender studies, Climate change, Immigration and refugees. Adopting a practical approach that must consider new concerns that have arisen with recent social, political and cultural shifts, *The Routledge Companion to Christian Ethics* is essential reading for students and researchers in Christian ethics, religious ethics and Christianity studies. The handbook will also be very useful for those in related fields such as ethics and philosophy.
