Sheep , The Road To Hell Dwayne Mattingly,2022-12-15 Many people today are wanting to know Are we living in the end times What will happen before the antichrist comes into power Will America be a key player in the end times In this book I start the first chapter with what I believe will soon be coming the chip being implanted in humans I realize the mark of the beast will not be given until the antichrist comes into power Many believe it will be the chip I discuss in chapter 2 why I believe it will not be the chip Our currency as we know it today will give way to a one world currency and I discuss this in two chapters The New World Order has been discussed for many years and I want to understand where it started and where it stands now The last two chapters deal with a real hell and a real heaven Though we do not know everything about either of these we know enough that we will make an eternal choice to spend forever in one or the other How and what you do the rest of your life will determine your eternal destination I genuinely believe this book will help you understand the end times and eternity We all are on the road to hell but know heaven is only one step away **Until He Comes** Amir Tsarfati,Barry
