Armageddon The Cosmic Battle Of The Ages Left Behind 11:

The New Brothers Grimm and Their Left Behind Fairy Tales David T. Morgan, 2006 The New Brother s Grimm examines the twelve volumes of the very popular Left Behind series by Tim LaHaye and Jerry B Jenkins relating the story and the theological arguments of each book and then challenging those arguments One of the centerpieces of their interpretation of the Bible is that the church of Christ will be raptured to be with Christ for seven years During that time people who have been left behind will have an opportunity to accept Christ as savior but they will have to pass through the tribulation a time of unimaginable horror with Satan ruling the world At its end Christ will appear with his heavenly army and defeat the forces of Antichrist in the battle of Armageddon After that Christ will establish an earthly kingdom lasting exactly 1000 years during which Satan will be bound in the bottomless pit Ultimately the author suggests that the theological premises set forth in the series are at best dubious and at worst theological snake oil

Armageddon Tim LaHaye, Jerry B. Jenkins, 2011-03-16 All armies of the world including the Tribulation Force head for the Middle East to engage in one massive battle as the world becomes even more dangerous to live in with death mistrust and treachery all around

The Rapture, the End-times and the Millennium Russell R. Standish, Colin D. Standish, 2004 Volume seven of the Antichrist Septenate takes up issues crucial to our understanding of the final events preceding the return of our Lord and Savior Jesus Christ

Apocalypse Dawn Mel Odom, 2011-05-13 2004 Christy Award finalist From the decks of U S Navy carriers patrolling the Mediterranean to Fort Benning Georgia and the dusty sands of the Turkish Syrian border this new suspense thriller runs side by side with the phenomenal series that has sold more than 50 million copies New characters and situations are added to those from the already explosive Left Behind series to raise the tension to a fever pitch With technical accuracy from the same people who create best selling military thrillers this new series will satisfy the fans of the original Left Behind series who are looking for more

Left Behind Answered Verse by Verse David Reed, 2008-01-01 Will unbelievers and half hearted churchgoers have 7 more years to make up their minds about Christ after He raptures the Church LEFT BEHIND gives them all a second chance But is that what Jesus taught His parables of the talents the wise and foolish virgins the wheat and the tares and the faithful and evil servant all show him returning unexpectedly with both rewards and punishments in his hands Neither the parables nor the plain words of Christ teach a second chance for those surprised by his coming But LEFT BEHIND does Few Christians realize LEFT BEHIND tosses aside the teachings of Luther Calvin Tyndale Wesley Wycliffe and Spurgeon Read dozens of quotes from these and other respected sources that show LEFT BEHIND strays far from the truths Bible readers have understood for centuries Author of JEHOVAH S WITNESSES ANSWERED VERSE BY VERSE and MORMONS

ANSWERED VERSE BY VERSE Baker Book House David A Reed is known worldwide as an expert in refuting false prophecy

The Regime Tim LaHaye, Jerry B. Jenkins, 2013-02-08 Dynamic Romanian multimillionaire Nicolae Carpathia s sphere of influence steadily grows as he parlays his looks charm charisma and intellectual brilliance into success in business and

politics But is it mere coincidence that those who oppose or offend him suffer to the point of death Meanwhile a young Buck Williams begins his journalistic career Pilot Rayford Steele gains more responsibility at work and at home Scientist Chaim Rosenzweig begins work on a secret formula that could change the world All three go about their daily lives unaware of each other or of the powerful young man from Romania Around the world the stage is being set for the cataclysmic event that will change the world forever **Adventist Review** ,2003 **The End All Around Us** John Walliss,Kenneth G. C.

Newport,2014-12-05 The Apocalypse or end times are a recurrent theme within contemporary popular culture The End All Around Us presents a wide ranging exploration of the influence of the apocalypse within art literature music and film The essays draw on representations of the apocalypse in heavy metal music science fiction disaster movies and anime The book examines key apocalyptic texts focusing on their relevance to today It will be invaluable to all those interested in the religious and cultural impact of apocalyptic thought *Books Out Loud* ,2007 **Marks of the Beast** Glenn W. Shuck,2005 The Left Behind series by Tim LaHaye and Jerry B Jenkins has become a popular culture phenomenon selling an astonishing 40 million copies to date These novels written by two well known evangelical Christians depict the experiences of those left behind in the aftermath of the Rapture when Christ removes true believers leaving everyone else to suffer seven years of Tribulation under Satan s proxy Antichrist In Marks of the Beast Shuck uncovers the reasons behind the books unprecedented appeal assessing why the novels have achieved a status within the evangelical community even greater than Hal Lindsey s 1970 blockbuster The Late Great Planet Earth It also explores what we can learn from them about evangelical Christianity in America Shuck finds that ironically the series not only reflects contemporary trends within conservative evangelicalism but also encourages readers especially evangelicals to embrace solutions that enact rather than engage their fears Most strikingly he shows how the ultimate vision put forth by the series authors inadvertently undermines itself as the series unfolds
