Sides,Assistant Professor of English Kirk B Sides,2025-12-05 Environmental Entanglements explores a long history of

ecological thought in African literature and film Beginning with the start of the 20th Century the book focuses on authors who explore ecological relationships between land and people from Mofolo to Plaatje Okorafor *Comparative Education for Global Citizenship, Peace and Shared Living through uBuntu* ,2022-06-08 There is a dire need today to create spaces in which people can make meaning of their existence in the world abiding by cultural frameworks and practices that acknowledge and validate a meaningful existence for all People are not just isolated individuals but are connected in diverse ways with other persons within our natural and social environment which is part of the whole universe The African philosophy of uBuntu or humaneness is re emerging for its timely relevance and potential as indispensable in our quest for global citizenship peace and mutual understanding in securing sustainable human development in the broader ecosystem Comparative educationists have the challenge to devise theoretical frameworks epistemological and pedagogical constructs as well as pragmatic useful and effective ways of promoting the virtues of compassion and recognition of our common humanity in eliminating the ills of domination and control that are guided by greed hatred jealousy and intolerance Comparative Education for Global Citizenship Peace and Shared Living through Ubuntu paves the way for a better understanding of the critical importance of the collective search and endeavor towards achieving the virtues of nonviolence peace shared values of living together global citizenship improved quality of life for all and a better appreciation of the positive implications of interdependence [AF Press Clips](#) ,1974 **Ubuntu** Marietjie Oelofsen,Upenyu Majee,Bongani Mgijima,Jamie Monson,2024-08-20 Ubuntu Interdisciplinary Conversations Across Continents is a collection of work by 17 scholars emerging from the Ubuntu Dialogues Seminar Exchange Fellowship hosted by Stellenbosch University in South Africa and Michigan State University in the US between 2019 and 2022 This collaborative work brings new voices and new ways of interrogating a concept that holds possibilities for living together differently The contributions problematise the concept in provocative and surprising ways and disrupt narrow and superficial interpretations of Ubuntu The contributors to this book foreground critical issues which are fundamental towards a deeper understanding of the notion of ubuntu Dr Sithembele Marawu University of Fort Hare This book features next generation rising stars from places such as South Africa Zimbabwe Malawi Burundi and the US writing about ubuntu the indigenous southern African term often used to capture African philosophy especially its moral dimensions A fresh kaleidoscopic engagement with ubuntu Professor Thaddeus Metz University of Pretoria **Lesotho Business Directory** ,2004 [Re-invigorating ubuntu through water: A human right to water under the Namibian Constitution](#) Ndjodi Ndeunyema,2021-10-01 This book argues for the existence of a court enforceable human right to water that is implied from the right to life in Article 6 of the Namibian Constitution The book builds this argument by using tools of constitutional interpretation and with the aid of comparative materials As such the African value of ubuntu is invoked Ubuntu which is legally developed through its four key principles of community interdependence dignity and solidarity is anchored in a novel approach to Namibian constitutional interpretation that is

conceptualised as re invigorative constitutionalism The book advances the AQUA adequacy quality accessibility content of water and articulates the correlative duties within the context of the respect protect fulfil trilogy which are duties imposed upon the Namibian state as the primary duty bearer for a right to water These duties include irreducible essential content duties that are argued to be immediate when compared to general obligations In giving substance to duties that flow from a right to water international law interpretative resources are also relied upon including General Comment No 15 by the United Nations Committee on Social Economic and Cultural Rights the African Commission s Principles and Guidelines on Social and Economic Rights and the World Health Organisation s Drinking water Quality Guidelines Moreover the book addresses various justiciability concerns that may arise arguing that Namibian courts are institutionally competent and legitimate in enforcing right to water claims through the application of the bounded deliberation model Additionally because the Principles of State Policy in Article 95 of the Namibian Constitution are rendered court unenforceable by Article 101 the argument is made that this does not undermine the claim that a right to water anchored in the right to life can be enforced through the courts Dr Ndjodi Ndeunyema Modern Law Review Early Career Research Fellow University of Oxford

Ubuntu Philosophy and Disabilities in Sub-Saharan Africa Oliver Mutanga, 2023-11-03 This book uses Ubuntu philosophy to illuminate the voices of people with disabilities from Sub Saharan Africa Disability literature is largely dominated by scholars and studies from the Global North and these studies are largely informed by Global North theories and concepts Although disability literature in the Global South is now fast growing most studies continue to utilise conceptual theoretical and philosophical frameworks that are framed within Global North contexts This presents two major challenges Firstly the voices of people with disabilities in the Global South remain on the fringes of disability discourses Secondly when their voices are heard their realities are distorted This edited book consisting of 11 chapters provides case studies from Botswana Ghana Lesotho Uganda and South Africa explores disability in various fields Inclusive education higher education environment Open Distance Learning and Technical and Vocational Education and Technical Colleges The book contributes to the ways in which disability is understood and experienced in the Global South thereby challenging the Western hegemonic discourses on disability This collection of contributions will be of interest to all scholars and students of disability studies development studies medical sociology and African studies Historical Dictionary of Lesotho John Aerni-Flessner, Charles

Fogelman, Nthabiseng Mokoena-Mokhali, 2023-11-30 Lesotho s history has long been defined by its enclave status within South Africa but it is a hard fought and hard won status that helps unite Basotho through the shared history of struggle against colonial rule in the region Since the end of apartheid in 1994 Lesotho s status as a separate entity has been called into question though the fierce national pride built through centuries of resistance to outside rule has mitigated against any serious discussions of incorporating Lesotho into South Africa Still the political instability and lack of a flourishing domestic economy have made life difficult for the majority of Basotho and could call into question the viability and legitimacy of the

state in the eyes of its citizens if it cannot enact significant reforms in the coming decades Historical Dictionary of Lesotho Third Edition contains a chronology an introduction and an extensive bibliography The dictionary section has more than 500 cross referenced entries on important personalities as well as aspects of the country s politics economy foreign relations religion and culture This book is an excellent resource for students researchers and anyone wanting to know more about Lesotho

The Palgrave Handbook of Africa and the Changing Global Order Samuel Ojo Oloruntoba, Toyin Falola, 2021-11-22 This handbook fills a large gap in the current knowledge about the critical role of Africa in the changing global order By connecting the past present and future in a continuum that shows the paradox of existence for over one billion people the book underlines the centrality of the African continent to global knowledge production the global economy global security and global creativity Bringing together perspectives from top Africa scholars it actively dispels myths of the continent as just a passive recipient of external influences presenting instead an image of an active global agent that astutely projects soft power Unlike previous handbooks this book offers an eclectic mix of historical contemporary and interdisciplinary approaches that allow for a more holistic view of the many aspects of Africa s relations with the world

Lesotho Clippings ,1983 *Pelong Ya Ka* Sophonia Machabe Mofokeng, 2021-10 Pelong ya kais a volume of twenty essays and stories written by Sophonia Machabe Mofokeng and first published in 1962 in the Bantu later African Treasury Series by the University of the Witwatersrand Press In his short life Mofokeng an expert on African folklore was also regarded as a gifted exponent of African languages in particular Southern Sesotho and this assessment is still valid today The essays and stories in this collection are largely autobiographical with the author being both the writer and the main character in them Their style is in turn meditative descriptive narrative and polemic and the tone of voice of the narrator is characterised by melancholy humour and satire The themes span a wide range of human experiences and reflect Mofokeng s deep personal convictions and passion for freedom as well as his Christian beliefs As he says in Nako Time we are worried because we want to live for a long time as if the most important thing is to live for many decades but the fact is that we must live our life to the fullest His descriptions of his time spent in hospital are filled with insights into the experiences of the patients doctors and workers he met there and reflect his gift for observing the details of everyday life and recounting them with both depth and simplicity *Ethical and Social Perspectives on Global Business Interaction in Emerging Markets* Al-Shammari, Minwir, 2016-02-10 Societal demands needs and perspectives of ethical and socially responsible behavior within business environments are a driving force for corporate self regulation As such executives must consistently work to understand the current definition of ethical business behavior and strive to meet the expectations of the cultures and communities they serve Ethical and Social Perspectives on Global Business Interaction in Emerging Markets compiles current research relating to business ethics within developing markets around the world This timely publication features research on topics essential to remaining competitive in the modern global marketplace such as corporate social
