

MACBETH

1. What three prophecies did the witches make for Macbeth, and what prophecies did they make for Banquo?

- They told Macbeth that he will be the lord of Glamis, Cawdor and the king. They told Banquo that he will be lesser than Macbeth and greater, not so happy, but much happier, and prophesied that though he should never be king, yet his sons after him should be kings of Scotland.

2. What made Macbeth think that their prophecies might be fulfilled?

He thought the prophecies might be fulfilled because when the witches disappeared, two messengers from the king arrived and gave him the name and title of Cawdor.

3. How did Duncan behave to Lady Macbeth when he went to stay at Macbeth's castle, and what did she plan to do to him there?

- He sent her a rich diamond, she made a plan to murder him.

4. Why did Macbeth think at first that it would be wrong to kill Duncan, and what changed his mind?

- Macbeth thought at first that it would be wrong to kill Duncan because he had been his host that day, and it was a host's duty to shut the door against his murderers. Then he thought how just and merciful a king this Duncan had been that such kings are the peculiar care of heaven, and their subjects doubly bound to punish those that hurt them, by the favours of the king. When lady Macbeth found her husband turning to the better part, and resolving to proceed no further, she convinced him to kill the king.

5. When did Macbeth find that he could not say the word "Amen", and why, according to the voice he thought he heard, would he sleep no more?

- He couldn't say the word "amen" after one of the drunk servants said it because he felt guilty about the murder of Duncan.

6. What were the names of Duncan's sons and where did they go after the murder of their father?

- The names of Duncan's sons were Malcolm and Donalbain. After the murder of their father Duncan, the sons fled to England and Scotland respectively to escape the charges of murder.

7. Why did Macbeth and his wife decide to kill Banquo and his son?

- Macbeth decided to kill Banquo and his son because he thought Banquo was a threat to his throne. Banquo was a nobleman and a friend of Macbeth, but he was also a wizard and a seer, and he had prophesied that Macbeth would become king.

8. Why did it seem to the guests at the great supper that Macbeth was fit to lead?

- It seemed to the guests at the great supper that Macbeth was fit to lead because he was a nobleman and a friend of the king. He was also a brave warrior and a skilled politician. He had been a loyal servant of the king and had helped him in many ways.
