Aristocrats Caroline Emily Louise And Sarah Lennox 1740 1832:

Aristocratic Women and Political Society in Victorian Britain K. D. Reynolds, 1998 This is a study of gender and power in Victorian Britain It examines the contribution made by women to the public culture of the British aristocracy in the nineteenth century It challenges the view that power and authority were predominantly masculine attributes and shows that a partnership of authority between men and women was integral to aristocratic life The book is thus an important addition to the debate on separate spheres Dr Reynolds explores the roles of aristocratic women in estate management patronage of churches and schools and in caring for the poor and other dependants She shows how women were at the heart of the local communities and institutions on which aristocratic power was based The book goes on to discuss the realm of national politics analysing women's participation in the electoral process in Westminster based political life and at Queen Victoria's court Based on a wide range of previously unused archival sources *Aristocratic Women and Political Society* presents a lively portrait of women's experiences and a corrective to the view of the upper class Victorian woman as a passive social butterfly

'Of Varying Language and Opposing Creed' Javier Pérez-Guerra, Charles Jones, 2007 This volume includes a selection of fifteen papers delivered at the Second International Conference on Late Modern English The chapters focus on significant linguistic aspects of the Late Modern English period not only on grammatical issues such as the development of pragmatic markers for to infinitive constructions verbal subcategorisation progressive aspect sentential complements double comparative forms or auxiliary negator cliticisation but also on pronunciation dialectal variation and other practical aspects such as corpus compilation which are approached from different perspectives descriptive cognitive syntactic corpus driven

Fear of Theory, 2021-11-29 Listen to the podcast here Recent academic historiography has seen a profusion of theoretical perspectives on biography both analytical and descriptive Yet many biographers still fear theory as antithetical to accessible narration of real lives This volume presents eighteen essays by more than a dozen scholars and practitioners from Australia Belgium Germany Great Britain Holland Hungary Iceland and the United States who seek to banish such fear Writing with candor wide experience and familiarity with modern teaching they examine the riches greeting the biographer willing to think more deeply about biography its inner workings and rationale in a world still hungry for fact and truth Contributors are Nigel Hamilton Sigur ur Gylfi Magn sson Emma McEwin Melanie Nolan Kerstin Maria Pahl Eric Palmen Hans Renders Carl Rollyson David T Roth Istv n M Szij rt Jeffrey Tyssens and David Veltman See inside the book **Sisters and Sisterhood** Lyndsey Jenkins, 2021 By studying a family of working class suffragettes Lyndsey Jenkins explores when why and how the Kenney family got involved in militant suffrage campaigning what it meant to them how they benefited and how it shaped their lives Aristocrats Stella Tillyard, 2014-08-07 A fascinating insight into 18th century aristocratic life through the lives of the four Lennox sisters the great grandchildren of Charles II whose extraordinary lives spanned the period 1740 1832 Passionate witty and moving the voices of the Lennox sisters reach us with immediacy and power drawing the reader

into their remarkable lives and making this one of the most enthralling historical narratives to appear for many years **The World of Mary O'Connell, 1778-1836** Erin I. Bishop, 1999 The World of Mary O'Connell based on examination of these letters and of Mary's correspondence with other family members and friends is more than a portrait of the Liberator's wife

The Marital Economy in Scandinavia and Britain 1400-1900 Maria Ågren, 2017-03-02 Marriage today is our prime social and legal institution Historically it was also the principal economic institution This collection of essays offers a wealth of original research into the economic social and legal history of the marital partnership in northern Europe over a 500 year period Erickson's introduction explores the concept of the marital economy and sketches the legal and economic background across the region Chapters by Gren Gudrun Andersson Agnes Arnrsdttir Inger Dbeck Elizabeth Ewan Rosemarie Fiebranz Catherine Frances Hanne Johansen Ann Catrin stman Anu Pylkknen Hilde Sandvik and Jane Whittle are organized according to the three economic stages of the marital life cycle forming the partnership managing the partnership and dissolving the partnership In conclusion Michael Roberts explores how the historical development of modern economic theory has removed marriage from its central position at the heart of the economy [Feminist Bookstore News](#), 1995 **Mighty Lewd Books** J. Peakman, 2003-06-24 Mighty Lewd Books describes the emergence of a new home grown English pornography Through the examination of over 500 pieces of British erotica this book looks at sex as seen in erotic culture religion and medicine throughout the long eighteenth century and provides a radical new approach to the study of sexuality [French Books in Eighteenth-century Ireland](#) Máire Kennedy, 2001 Ireland's situation on the periphery of western Europe is sometimes seen as isolating it from literary and intellectual developments during the eighteenth century An examination of Irish private libraries and the book trade which supplied them shows instead an Irish readership au fait with Continental trends in literature the sciences politics and the arts This study concentrates on French language works circulating in the country through the use of booksellers and auction catalogues book reviews and advertising An exploration of the ownership of French language works points to an interested audience at different social levels and across the religious divides Dublin dominated the Irish trade in French language books its major booksellers importing stock from London and European publishing centres and distributing books and periodicals wholesale and by catalogue to the larger Irish cities and towns Domestic publication in French also occurred in Dublin Cork and Belfast The provincial cities too had a role to play in the distribution of French language material opening up new markets in the smaller towns using regional newspaper advertising and selling by catalogue Questions of literacy and readership are explored with particular emphasis on the teaching of French identifying teachers and schools throughout the country The huguenot contribution is outlined especially their role in the publication of French language books in the first half of the century Many Catholics received their education in Francophone countries returning to Ireland with advanced French language skills In elite circles the French language was a fashionable accomplishment This work draws on comparable studies in Britain France and Germany to place Irish readership of French language materials in the

broader context The picture that emerges shows Irish readers as active participants in the cosmopolitan culture which flourished in eighteenth century Europe

Women's Albums and Photography in Victorian England Patrizia Di Bello, 2017-07-05 This beautifully illustrated study recaptures the rich history of women photographers and image collectors in nineteenth century England Situating the practice of collecting exchanging and displaying photographs and other images in the context of feminine sociability Patrizia Di Bello shows that albums express Victorian women's experience of modernity The albums of individual women and the broader feminine culture of collecting and displaying images are examined uncovering the cross references and fertilizations between women's albums and illustrated periodicals and demonstrating the way albums and photography itself were represented in women's magazines fashion plates and popular novels Bringing a sophisticated eye to overlooked images such as the family photograph Di Bello not only illustrates their significance as historical documents but elucidates the visual rhetorics at play In doing so she identifies the connections between Victorian album making and the work of modern day amateurs and artists who use digital techniques to compile and decorate albums with Victorian style borders and patterns At a time when photographic album making is being re-vitalised by digital technologies this book rewrites the history of photographic albums placing the female collector at its centre and offering an alternative history of photography focused on its uses rather than on its aesthetic or artistic considerations It is remarkable in elegantly connecting the history of photography with the fields of material culture and women's studies
