Biology Scavenger Hunt

In teams of 2, take pictures of as many of the following terms as you can find in or explore nature.

1. You may not use the same example/picture for multiple terms.
2. A member from your group must be visible in the picture, and the picture must be taken during class time.
3. You may not use other team's photos, although the same example can be used.
4. No images from the internet will be accepted.

Upon completion of this scavenger hunt, your team will make and upload a PowerPoint on Google Classroom with each image and a brief explanation of why the example is valid. The team that collects pictures of the most terms and can correctly explain why the picture is a valid example wins a prize! Good luck!! :)
