The two women found dead in their beds had been executed There was no robbery no sexual motivation The satanic writings and red candles found at the scene had been staged to throw investigators off track The killer or killers just wanted the women dead One of them Betty Lou Gray had been the primary target while the other a close friend had simply been in the wrong place at the wrong time From the beginning the prime suspect had been Betty Lou s husband Bill A dominating and controlling husband he had kept his wife penniless and almost in bondage for 28 years until finally she d had enough and asked for a divorce The obvious motivation was money a 250 000 life insurance policy and with his wife dead there would be no splitting of assets in a divorce settlement If he could succeed in hiding the insurance money and the pawnshop assets from his children Bill Gray would become a rich man It seemed an open and shut case but it was not to be In this true story Dixie Murphy follows a trail of suspicion and intrigue and reveals the virtually unprecedented means used to finally bring a murderer to justice    Site Characterization HMTRI (The Harzadous Materials Training and Research Institute),1997-10-31
