User Experience Design in the Era of Automated Driving Andreas Riener, Myounghoon Jeon, Ignacio Alvarez, 2022-01-01

This book is dedicated to user experience design for automated driving to address humane aspects of automated driving e.g workload safety trust ethics and acceptance Automated driving has experienced a major development boost in recent years However most of the research and implementation has been technology driven rather than human centered The levels of automated driving have been poorly defined and inconsistently used A variety of application scenarios and restrictions has been ambiguous Also it deals with human factors design practices and methods as well as applications such as multimodal infotainment virtual reality augmented reality and interactions in and outside users This book aims at 1 providing engineers designers and practitioners with a broad overview of the state of the art user experience research in automated driving to speed up the implementation of automated vehicles and 2 helping researchers and students benefit from various perspectives and approaches to generate new research ideas and conduct more integrated research

The NEW Employee Manual

Benjamin Gilad, PhD, Mark Chussil, 2019-03-19 Welcome to Corporate Life The NEW Employee Manual is not your Dad's or Mom's employee manual It's the new playbook for corporate survival fitting today's realities and the challenges facing employees who join or work in large seemingly successful companies Those companies already issued very specific and detailed employee manuals covering everything under the sun except how to compete well in our brave new world The NEW Employee Manual will help you navigate the Corporate with a capital C labyrinth Where Corporate's manual shapes you into a dutiful cog for the good of the machine ours helps you enhance your career for the good of well you and your company The NEW Employee Manual should make you feel skeptical skeptical of empty slogans obsolete rituals obsessive pursuits and bigwigs playbooks that no longer work That alone should be worth this book's price Skepticism you see is a good thing because it is only the skeptic only the free thinker only the maverick who asks new questions and finds useful answers So are you a maverick or a cog
