Reviews

At a pivotal moment in American history when we face an assault on our constitutional democracy my friend Jeffrey B Simon's book is an essential read Beautifully written with erudition and personal stories Simon underlines the importance of our right to trial by jury in ensuring justice and equality

Matthew Dowd Senior Political Analyst for MSNBC News Jeffrey Simon has written a highly compelling but damning account of the damage that has been done to our rights to a jury in civil trials as guaranteed by the Constitution The 7th Amendment has been gutted by corporate interests in this country and Simon's book is a timely call to restore it

Senator Russ Feingold President of the American Constitution Society Last Rights is a must read for anyone who cares about public health protection of personal freedoms and how they fit together Simon's book masterfully connects those dots
