The Second Coming of Christ: Study Guide Keith Thomas,2015-05-05 The purpose of doing this study is to focus on the coming of Christ and to better prepare us for His coming The early Christians in the first century would often talk of His coming and encourage one another by looking forward to the day when Christ would return If that was so for centuries ago how much more should we be anticipating His coming in the days in which we live Now more than ever it is important that we remember often to lift up our heads and say Come Lord Jesus

The Apocalypse Code Hank Hanegraaff,2010-09-20 Hank Hanegraaff reveals the code to Revelation Breaking the code of the book of Revelation has become an international obsession The result according to Hank Hanegraaff has been rampant misreading of Scripture bad theology and even bad politics and foreign policy Hanegraaff argues that the key to

understanding the last book of the Bible is the other sixty five books of the Bible not current events or recent history and certainly not any complicated charts The Apocalypse Code offers sane answers to some very controversial questions What does it mean to take the book of Revelation and the rest of the Bible literally Who are the Antichrist and the Great Whore of Babylon and what is the real meaning of 666 How does our view of the end times change the way we think about the crisis in the Middle East Are two thirds of all Jews really headed for an apocalyptic holocaust The Apocalypse Code is a call to understand what the Bible really says about the end times and why how we understand it matters so much in today s world Provocative and passionate this fascinating book is a must read for everyone who s interested in end times controversies Lee Strobel Author The Case for the Real Jesus This book is a withering and unrelenting critique of the positions of apocalyptic enthusiasts Tim LaHaye Every fan of the Left Behind series should read this book The fog will clear and common sense will return to our reading of the Bible Gary M Burge Professor of New Testament Wheaton College and Graduate School John K. Before You Were Born, I Anointed You Anna Beresford, 2022-09-12 Prophetic ministry in the Bible has long been perceived as the exclusive domain of individuals who were powerful authoritative argumentative and almost always male This impression cannot be sustained In a logical and engaging way Anna Beresford convincingly shows us that female characters throughout the biblical story are not merely peripheral actors but are often the ones who proclaim God s prophetic word with disturbing clarity Beginning with the few women acknowledged as prophets in the Hebrew scriptural tradition Beresford proceeds to uncover a surprising host of hidden female prophets Among this cast we meet the widow whose last penny is consumed by organized religion the gate crasher who teaches a pious Pharisee stern lessons in hospitality a woman who has the last word in a theological debate A woman used to trap Jesus proclaims truth to power and a feisty foreign lady cleverly proves that God s love is for all of us regardless of gender or ethnicity This book is a compelling reminder that God speaks to all people women and men and calls on us to share the message whether it is convenient or not 2 Tim 4 2 NET

Countercultural J. E. B. Mouw, 2018-11-22 We face a culture that is becoming less intentional and more confused dragging with it a wayward church Drifting in this waywardness many have been taken captive by electronic media and have lost touch with their Bibles However God has graced us with a desire to grow in knowledge and find a ballast in life we only need to accept his life saving gift Countercultural Identities Written by the Gospel will help us wayward children of God to

look to the Bible to remind ourselves who God says we are what we ought to expect and how we should behave Asking us to renew our interest in the entire Bible author Jason E B Mouw shares his own personal spiritual journey through the trials and tribulations of life depression addiction and faith in order to help others seek the Bible as a source of comfort and instruction Though life may sometimes seem meaningless futile or even cruel the Bible and Christ s redeeming gospel offers all believers a hope and a purpose By finding our identities in God through his gospel message we can be delivered from the desperation of the world and live peacefully in God s grace

THE 1946 PROJECT Edward D. Andrews, 2021-10-28 Did one mistranslated word in 1946 change the church forever The film The 1946 Project claims that the word homosexual was wrongly inserted into the Bible in the Revised Standard Version and that this single mistake has fueled decades of misunderstanding mistreatment and oppression But is that true Or is it a clever attempt to rewrite the gospel to fit the spirit of the age This book exposes the errors of The 1946 Project with Scripture history and sound scholarship From Genesis to Revelation the Bible speaks with one voice about God s design for sex marriage and holiness It is not one English word that defines the issue but the inspired Word of God itself Part One dismantles the film s claims showing why the mistranslation myth collapses under the weight of biblical evidence and the Christian consensus across centuries Part Two turns directly to today s youth ages 12-25 offering biblical guidance courage and clarity in a world of confusion about identity gender and truth This is not a book of hate but of hope It calls every reader to take God s Word seriously to stand firm in a culture of compromise and to believe the good news that in Christ sinners of every kind can be washed sanctified and justified 1 Corinthians 6:11 Truth matters Eternity matters The gospel cannot be rewritten
