Jkuat Application Deadline For September Intake:

Proceedings of 2005 JKUAT Scientific, Technological, and Industrialisation Conference ,2006 *Agricultural Irrigation*
Aliasghar Montazar,2019-11-28 Agriculture is certainly the most important food supplier while it globally accounts for more than 70% of water used and contributes significantly to water pollution Irrigated agriculture is facing rising competition worldwide for access to reliable low cost and high quality water resources However irrigation as the major tool and determinant of affecting agricultural productivity and environmental resources plays a critical role in food security and environment sustainability Innovative irrigation technologies and practices may enhance agricultural water efficiency and production in the meantime decrease the water demand and quality issues I am very pleased to invite you to submit manuscripts in agricultural irrigation which assess current challenges and offer improvement approaches and opportunities for future irrigation **Public & Private Universities in Kenya** Kilemi Mwiria,Partnership for Higher Education in Africa,2007 Reviews the history of higher education in Kenya and details the emergence of private universities most of them with a Christian religious orientation as major players in the provision of tertiary level education **1996 IEEE AFRICON, 4th AFRICON Conference in Africa, 25-27 September 1996, Tutorials on 24 September 1996** ,1996 **Roselle (Hibiscus sabdariffa)** Abdalbasit Adam Mariod,Haroon Elrasheid Tahir,Gustav Komla Mahunu,2021-06-11 Roselle Hibiscus sabdariffa Chemistry Production Products and Utilization assesses the Hibiscus sabdariffa plant for food and nonfood uses as well as for its use as fixed or essential oils The chapters explore Hibiscus sabdariffa breeding production composition storage and quality related to the chemistry nutrition antioxidant activity and traditional uses of its bioactive components This book also includes coverage of medicinal pharmacological therapeutic and cosmetic uses of Hibiscus sabdariffa This book will be of interest to nutritionists food scientists chemists ethnobotanists pharmacists academics undergraduate and graduate students and professionals working with medicinal plants Summarizes research developments related to Hibiscus sabdariffa Presents the practical applications of Hibiscus sabdariffa in industries such as food cosmetics medicine and flavoring Explains the chemistry nutrition and medicinal importance of Hibiscus sabdariffa and its products Trails in Academic and Administrative Leadership in Kenya Michieka, Ratemo Waya,2017-05-03 Scholars especially those interested in understanding how leadership has inhibited academic freedom and hindered effectiveness of institutions of higher learning have for long been engaged by the very important manner in which governance and leadership of higher education institutions in Africa is constituted and managed The fact that there has been a dearth of work based on the experiences of those who have served as university leaders has created a major gap Questions remain on how leaders of higher education institutions are identified how they are prepared the personal predispositions that individuals bring to the exercise of such positions and their personal experiences regarding what energizes or inhibits the performance of their work Until recently presidents in most African countries served as chancellors of public universities identification of those who served as

university leaders was largely a political process But much has changed with most countries establishing oversight bodies and the overall governance of higher education institutions divorced from the day to day political processes Trails in Academic and Administrative Leadership in Kenya provides a personal account of the experiences in higher education leadership from an individual whose tenure in leadership straddled the two eras In this book Prof Michieka provides an account of how his early education prepared him for roles in academic and institutional leadership in Kenya The author shares his experiences on the trails he had to navigate as an academic a vice chancellor and a chairperson of university council at a time when universities in Kenya were transiting from extreme government administrative control to a greater degree of operational autonomy Readers will find in this work thought provoking insights on how leaders of higher education institutions in Kenya have had to balance between demands of the political system and the need to safeguard academic traditions in the everyday management of the institutions

Tropentag 2022 - International Research on Food Security, Natural Resource Management and Rural Development Eric Tielkes,2022-09-09 Tropentag is the largest interdisciplinary conference in Europe focused on developmentoriented research in the fields of tropical and subtropical agriculture food security natural resource management and rural development Tropentag takes place annually even though the past two years were particularly challenging while the conference had to be organised as an online only event One of the lessons that we learnt from the virtual conferences is that yes it is possible to organise it that way but that it is much better to meet and talk in person We are thus very happy that this year two years after what was initially planned we are able to organise the Tropentag 2022 conference at the campus of the Czech University of Life Sciences Prague Czech Republic and thrilled that we will again meet all face to face during the 14 16 September venue However some of you due to various reasons who could not come to Prague you can still participate at this year Tropentag as all plenary and oral scientific sessions are streamed via the Whova platform and we also organise several online poster sessions
