In his second book about the coming horrendous WWII nuclear fire war *Final Warning WWII Part Two* Gabriel Michaels deals with several end time subjects Among these are the rise of the Antichrist and the false prophet the extensive preparations for WWII that are being done by the United States NATO Russia and Russia s prophetic allies and the end time signs in the heavens He also examines the question that everyone wants to know concerning the timing of Jesus s return when I think you will be surprised by what God has shown him about this and how close we actually may be to WWII and Jesus s return at the Rapture In easy to understand language Gabriel Michaels shows that time is running out for man s rule of earth He shows how and why Jesus truly is coming to earth soon to set up his kingdom of one thousand years If you have already read *WWII Part One* then once you read this book many of your questions concerning the end times may well be answered For the sake of you your family and your friends you should know these things We are quickly moving to a great climax in world history This could quite literally be the final warning that many will hear The sunset of man s rule over Earth his final generation to rule Earth began May 14 1948 when Israel became a nation The sunrise of the rule of Earth by Jesus Christ King of kings is upon us and very few understand that The prophet Daniel was told in Daniel 12 9 NIV Go your way Daniel for the words are closed up and sealed until the time of the end The words of end time prophecy are being unsealed in this book in a way you have probably never heard before You can be one of those in the end times who would be among the wise as the prophet was told in Daniel 12 10 NIV None of the wicked will understand but those who are wise will understand Author Gabriel Michaels has studied for over fifty years to bring this word of warning to you to help you understand the lateness of the hour in which you live This is a warning done out of love Please listen before it s too late King Jesus is coming Get ready for the return of the King

Angley, 2020-06-18 Teach them the difference between the holy and the profane between the clean and unclean Teach them all the word God has given Leviticus 10 10 Emeralds sapphires diamonds What do precious gems have to do with God Everything if you study the high priest breastplate and decode the message Proverbs 25 2 says It is the glory of God to conceal a thing but the glory of kings is to search a thing out There is much more buried deep in the scriptures than we know It is a deep well of treasure waiting to be mined and just as precious as sapphires and diamonds How does God see these jewels Does the Hebrew name for ruby written three thousand years ago mean flaming sword of light and does it hint at the laser hidden inside its depths Do these gems represent anything important and of great value Absolutely Is there a secret and mysterious meaning imbedded in the fact that God assigned a jewel to each tribe of Israel accompanied by two very specific blessings and a tribal banner which surprisingly has an astronomical significance Jesus said that before He comes back there will be signs in the sun moon and stars Do these constellations depicted in the tribal banners tell us something of great import for the world Are there warnings broadcast in the stars that we should be paying attention to them now Buckle up and begin one of the most fascinating journeys into the mysteries of God **The Bible Timeline Revealed** Daniel

Keck, 2025-01-31 There is a mystery a mystery of the Jubilee or fifty year cycles that have been hidden in plain view since Adam's creation This mystery allows for the calculation of the exact dates of Adam's creation the flood of Noah the time of the patriarchs and the exact year of the resurrection of Jesus based on biblical information Historical and archaeological data combined with numerical anomalies prove these dates to be accurate These results reveal that converging anniversaries are about to occur in a few short years What could all this mean Is the return of Christ soon *End Time Rewind: An Exploration In Bible Prophecy And The Fate Of The World* Steven Sabatino, Remember when End Time Rewind warned you not to fall for the Doomsday Rapture theories of Dispensational Premillennialism and their Zionist partners Well now that we've survived John Hagee's Four Blood Moons Jonathan Cahn's Super Shemitah and the menacing tentacles of the now defunct European Union and Islamic State the supposed Beast Kingdoms of Revelation 17 the Futurist's next false claim centers around the 70 year anniversary of Israel's founding Is the Jewish State really the prophetic clock by which God aligns world events and the return of Christ Many Doomsday Rapture forecasts have been put forth in the name of Futurism since the 2nd

century AD none of which have come to fruition This is disconcerting because failed predictions and false expectations promoted by our Christian counterparts diminishes the credibility of the Bible and scars the reputation and integrity of the Prophetic Office of Jesus Christ The age old tried and true Orthodox aka Partial or Classical Preterist approach maintains that the majority of Bible prophecies were already fulfilled by the end of the first century AD and included Jesus appearing in an Old Testament styled non physical manifestation with power and great glory All that remains to be accomplished in the future is for Jesus Christ to physically return to raise the dead which is when the rapture also occurs preside over the final judgment and create a new heaven and earth devoid of sin and death where the new and holy Jerusalem from heaven descends as per Revelation 20 7 Revelation 22 5

The Making of a Disciple Kenneth S. Todd Jr.,2015-07-27 In the Great Commission found in Matthew 28 19 20 Jesus said Go therefore and make disciples of all nations baptizing them in the name of the Father and the Son and the Holy Spirit teaching them to observe all that I have commanded you and lo I am with you always even to the end of the age The two questions each believer must ask are What constitutes being a disciple of Jesus And am I really striving to be the disciple Jesus wants in His followers The purpose of this book is to address certain key issues that a Christian should be fully acquainted with if he or she is to be an obedient disciple and observe what Jesus commanded

**Existential Threats** Lisa Vox,2017-05-12 Americans have long been enthralled by visions of the apocalypse Will the world end through nuclear war environmental degradation and declining biodiversity Or perhaps through the second coming of Christ rapture of the faithful and arrival of the Antichrist a set of beliefs known as dispensationalist premillennialism These seemingly competing apocalyptic fantasies are not as dissimilar as we might think In fact Lisa Vox argues although these secular and religious visions of the end of the world developed independently they have converged to create the landscape of our current apocalyptic imagination In Existential Threats Vox assembles a wide range of media science fiction movies biblical tractates rapture fiction to develop a critical history of the apocalyptic imagination from the late 1800s to the present Apocalypticism was once solely a religious ideology Vox contends which has secularized in response to increasing technological and political threats to American safety Vox reads texts ranging from Christianity Today articles on ecology and the atomic bomb to Dr Strangelove and from Mary Shelley s The Last Man to the Left Behind series by Tim LaHaye and Jerry B Jenkins demonstrating along the way that conservative evangelicals have not been as resistant to science as popularly believed and that scientists and science writers have unwittingly reproduced evangelical eschatological themes and scenarios in their own works Existential Threats argues that American apocalypticism reflects and propagates our ongoing debates over the authority of science the place of religion uses of technology and America s evolving role in global politics

**God Is Calling** A. Esmeralda Cruz,2020-05-15 Book Delisted

**Rethinking the End of the World** B. L. Cooper,2015-06-01 Since the day Jesus ascended into heaven the church has eagerly awaited his second coming And during the intervening years too many Christians have focused their study of the Bible entirely on discovering the end time signs of

his coming Does Jesus expect us to focus on dates and signs or does he want us to instead develop a healthy and mature apocalyptic spirituality as we await his coming and the culmination of his plan of redemption and restoration Many of today s Christians lack a basic understanding of apocalyptic spirituality or do not understand God s mission through the church Consequently they fail to see and appropriate the rich truths that can be learned and applied to their lives today Yes Revelation is a book for today This book begins by explaining how the historic misinterpretation of end time Biblical literature has distracted Christians from their true spiritual development and mission It then explains how developing a proper apocalyptic spirituality can lead believers to healthy applications of end time teachings Discover how apocalyptic Biblical literature can help you see the redemptive work that God has in store for us today while we await his imminent return

**Black Visions of the Holy Land** Roger Baumann,2024-04-30 Since at least the high point of the civil rights movement African American Christianity has been widely recognized as a potent force for social change Most attention to the political significance of Black churches however focuses on domestic protest and electoral politics Yet some Black churches take a deep interest in the global issue of Israel and Palestine Why would African American Christians get involved and even take sides in Palestine and Israel and what does that reveal about the political significance of the Black Church today This book examines African American Christian involvement in Israel and Palestine to show how competing visions of the Black Church are changing through transnational political engagement Considering cases ranging from African American Christian Zionists to Palestinian solidarity activists Roger Baumann traces how Black religious politics transcend domestic arenas and enter global spaces These cases he argues illuminate how the meaning of the ostensibly singular and unifying category of the Black Church spanning its history identity culture and mission is deeply contested at every turn Black Visions of the Holy Land offers new insights into how Black churches understand their political role and social significance the ways race religion and politics both converge and diverge and why the meaning of overlapping racial and religious identities shifts when moving from national to global contexts

**The Coming Economic Flood** Anthony Ho,2014-12-02 By faith Noah being divinely warned of things not yet seen moved with godly fear and prepared an ark Hebrews 11 7 Are we living again in the days of Noah when another flood will suddenly burst upon the world with terrifying devastation Anthony Ho believes so This time however the flood will be economic God is soon going to judge the global economies writes Pastor Ho and the results will be as in Noah s day swift and catastrophic An engineer and scientist Pastor Ho uses a reasoned approach describing personal visions from God that he corroborates with scientific data and Bible prophecy to show why the collapse is imminent He will tell you how to prepare spiritually for the flood much like Noah did by building an ark And he will show you ways that we as Christians living amid the crisis can point people to their only hope Jesus

**What to Expect for 2015 and Beyond** Prophet Anthony Starnes,2015-07-27 My original unedited suppressed prophetic manuscript entitled What to Expect for 2015 and Beyond concerns you as it constitutes your warning from God about your future For God always gives a warning

before He sends judgment My written prophecy is NOT politically correct and will certainly disappoint and offend many as true prophecy always does Nor is it just a spiritual esoteric eschatology but it includes the hidden issues of the day that God wants known since they have caused America to sin more From the global warming deception that has increased unemployment to the economic fraud of recovery via bailouts socialist deficits the American Prosperity Message the fluoridation of public drinking waters GMO Foods high fructose corn syrup extra terrestrial grey aliens and illegal aliens resulting in earthquakes pestilences and famines after Obamas demonic deception causes another mean spirited Civil War Because in Gods judgment wars come first then the destruction of America by natural causes      Who Are You God? Olga Hermann,2024-03-26 In 1995 Olga Hermann learned about the love of Jesus Christ In that all her sins against God could be completely erased through repentance and accepting Jesus already paid with His own life Since then she has served our Lord in leadership roles in her church and in prayer and healing ministries as well as Christian media sharing the love and compassion of God Olga is an ordained minister with The Missionary Church International and holds a bachelor s degree in Messianic Bible studies giving her a deeper understanding of the Hebrew roots of the Bible Her goal is to share who God is and His amazing love especially to the broken hearted and the vulnerable Jesus came to set the captives free and the love of God is the only answer He wants that none of us should perish and we each fulfill our destiny s here on earth      **Missing Saints** Karen Mercado,2019-05-05 When the Rapture occurs the entire world will be in a state of panic The ones left who will have the answers to what is really happening according to the Bible will be the ones preoccupied with their own challenges and not so eager to explain what they know out of fear of being captured persecuted or executed for their faith in God Christians will turn into a self sufficient society because of an inability to buy sell or trade which will result from them refusing the 666 Mark of the Beast The government will become so big that most people will depend on it and will blame the chaos on the disappearances of Christians That will fuel the hatred of the ungodly toward the Christians This book provides hope according to the teachings of Jesus to the people who remain after the Rapture Even when God turns His back on this world it will not be too late to come to Him although time will be running out Some people will successfully find ways to survive in the last days It will be quite a survival game Those who have it figured out will use Revelation as a guide to prepare themselves physically mentally and spiritually I hope to paint a picture of what the world might look like in a fictional sense so that people can have hope for their future know what to expect and know that God still loves every one of us He wants no man to perish He came so that we may have life abundantly What will that mean for the ones left behind
