Subcommittee on Science and Space, 2012 The Supreme Court of Ghana Law Reports, 2015 **Space Warfare in the 21st Century** Joan Johnson-Freese, 2016-11-08 This book examines the recent shift in US space policy and the forces that continually draw the US back into a space technology security dilemma The dual use nature of the vast majority of space technology meaning of value to both civilian and military communities and being unable to differentiate offensive from defensive intent of military hardware makes space an area particularly ripe for a security dilemma In contrast to previous administrations the Obama Administration has pursued a less militaristic space policy instead employing a strategic restraint approach that stressed multilateral diplomacy to space challenges The latter required international solutions and the United States subsequently even voiced support for an International Code of Conduct for Space That policy held until the Chinese anti satellite ASAT test in 2013 which demonstrated expanded Chinese capabilities This volume explores the issues arising from evolving space capabilities across the world and the security challenges this poses It subsequently discusses the complexity of the space environment and argues that all tools of national power must be used with some degree of balance toward addressing space challenges and achieving space goals This book will be of much interest to students of space policy defence studies foreign policy security studies and IR *The Oxford Handbook of Comparative Environmental Law* Emma Lees, Jorge E. Viñuales, 2019 This Handbook brings together the foremost authorities from around the world to provide the first comprehensive account of comparative environmental law It examines in detail the methodological foundations of the discipline as well as the substance of environmental law across countries *Concentrate Questions and Answers Evidence* Maureen Spencer, John Spencer, 2018-07-26 The Concentrate Q the content is exceptional Wendy Chinenye Akaigwe London Metropolitan University I would not hesitate to recommend this book to a friend Blessing Denhere Coventry University **Minerals Yearbook** Geological Survey, Interior Department, Mines Bureau, 2019-02-15 This volume covering metals and minerals contains chapters on approximately 90 commodities In addition this volume has chapters on mining and quarrying trends and on statistical surveying methods used by Minerals Information plus a statistical summary **Innovating in a Secret World** Tina P. Srivastava, 2019-07-01 Our national security increasingly depends on access to the most sophisticated and advanced technology Yet the next time we set out to capture a terrorist leader we may fail Why The answer lies in a conflict between two worlds One is the dynamic global commercial world with its thriving innovations The other is the world of national security in which innovation is a matter of life or death The conflict is about secrecy Innovating in a Secret World is a detailed examination of the U S government and innovation landscapes and of the current trends in often secret national

security related research and development R D Based on case studies detailed research and interviews with executives at Fortune 500s startup entrepreneurs and military directors and program managers this accessible and timely book is a must read Tina P Srivastava evaluates whether the strategy of technology innovation in the world of national security leaves certain innovations behind or unintentionally precludes certain classes of innovators from participating She identifies the unintended consequences and emergent behaviors of this conflict This examination unfolds in a complex dynamic system that includes the legal framework in which technology innovation must exist For more than a decade Srivastava has been on the front lines of cutting edge technology innovation She suggests focusing on an emerging class of R D strategy called open innovation a strategy that broadens participation in innovation beyond an individual organization or division traditionally assigned to perform R D activities Through compelling stories of commercial and early government applications she shows how open technology innovation strategies can enable accelerate and enhance technology innovation Successful incorporation of open innovation into the previously closed U S government R D landscape can yield profound benefits to both national security and global leadership Purchase the audio edition *The Will to Drill - Mining in Arctic Communities* Brigit Dale, Ingrid Bay-Larsen, Berit Skorstad, 2017-10-04 This book focuses on the connections between mining activities knowledge politics and the valuation of landscape in selected case sites in Russia Greenland and Norway whilst considering the interrelated aspects of industrialized natural resource based development and environmental concerns in the Arctic The case studies in these three different countries reveals that there are indeed multiple Arctics not least concerning the way extractive industries are received and perceived and that national legislation public awareness and economic alternatives are amongst the variables that influence to what extent environmental ramifications of mining are accepted Through analysis of political discourses legal documents grey literature discussions in local and national media and empirical material from in site fieldwork the authors seek to understand how debates about mining reveal more general conflicts and concerns about how to define sustainability The book contributes to the overall debates on both extractive industries and development trends in the Arctic and will as such be of interest for both established scholars and students as well as policy makers and the public The compilation of cases and variety of analytical perspectives will further stimulate the ongoing debates concerning the impacts of extractive industries on communities both in the Arctic and beyond *The Evolution and Maturation of Teams in Organizations: Theories, Methodologies, Discoveries & Interventions, 2nd Edition* Eduardo Salas, Marissa Shuffler, Michael Rosen, 2020-12-08 Publisher's note In this 2nd edition the following article has been added Shuffler ML Salas E and Rosen MA 2020 The Evolution and Maturation of Teams in Organizations Convergent Trends in the New Dynamic Science of Teams Front Psychol 11 2128 doi 10 3389/fpsyg.2020.02128 *Law Of Evidence In Nigeria Practice And Procedure* Simon Uchenna Ortuanya, 2025-03-21 The Evidence Act 2011 repealed the old Evidence Act In doing so the new Act introduced some changes in the Law of Evidence Ever since there has been an urgent need for scholastic guidance in the proper

approach to the interpretation of the provisions embodying those changes This is particularly so as the courts have been issuing contradictory interpretations of these provisions In his new book *Law of Evidence in Nigeria Practice and Procedure* the veteran author and urbane man of letters Professor Simon Uchenna Ortuanya masterfully plumbs the Intention of the draft s persons of the Act The result is a five hundred and forty page treatise of redoubtable erudition The succinct titles of the different chapters are quite captivating just as the logical presentations of ideas are very illuminating The book bears the imprints of the erudite author s versatility in the Law of Evidence a course he has taught admirably in two public universities years Judges and Justices Senior Advocates of Nigeria Law Professors and sundry litigation lawyers should be truly enamoured of the enormous efforts here Upon my intimate perusal of this excellent book I am under obligation to commend it to all Justices of our appellate courts Judges of disparate categories law teachers and their students and to one and all Chima Centus Nweze Ph D JSC Life Bencher FCI Arb Justices Chambers Supreme Court Abuja Nigeria *Evidence* Roderick Munday, 2022 Munday s *Evidence* provides students with a concise yet analytical introduction to the law of evidence Vibrant and engaging this invaluable text is the ideal guide to this challenging subject **The Liability of Internet**

Intermediaries Jaani Riordan, 2016 Internet intermediaries play a central role in modern commerce and the dissemination of ideas Although their economic and social importance is well recognized their legal liability remains poorly understood and until now no work has specifically addressed their legal responsibility for wrongdoing carried out by third parties using their facilities or platforms This work fills that gap by providing comprehensive coverage of the legal duties owed by intermediaries and the increasingly complex schemes that regulate their activities The first part of the work introduces the concept of an internet intermediary general doctrines of primary and secondary liability and the European enforcement regime The second part examines the liability of intermediaries in specific areas of law with a detailed analysis of the applicable liability rules and the major English case law and decisions of the Court of Justice that interpret and apply them The final part of the work provides guidance on remedies and limitations Written by an expert author from the intellectual property chambers at 8 New Square Lincoln s Inn this is an essential guide for lawyers advising on IP matters and disputes involving internet content **Birth Advantages and Relative Age Effects: Exploring Organisational Structures in**
