A Bibliography of Military Geography Eugene J. Palka,1988 This four volume document is designed to enhance scholarly research in the area of military geography and to serve as a reference tool It is anticipated that this will meet the research needs of professors and students of military science geography and history along with members of the Armed Forces government officials and planners This bibliography is organized following the accepted scheme for military geography utilizing three main categories systematic topical and regional Volume I is a complete alphabetized list Volume II is organized systematically Volume III is organized topically and Volume IV collects regional sources

The Founding of English America John May,2024-05-24 In 1577 John Dee a scientist who served as an advisor to Queen Elizabeth I proposed to her the creation of colonies in the New World Neither Elizabeth nor Walter Raleigh imagined the task would be so difficult or take more than 30 years The effort started with an exploration of the coast of today s North Carolina and the settlement of a colony on Roanoke Island in 1585 This ended tragically and became known as The Lost Colony its fate a mystery to this day James I resumed the effort with the founding of Jamestown in 1607 on an island in the James River in today s Virginia This book relates the histories of the

Roanoke and Jamestown colonies to enable a full understanding of the founding of English America Important events in America s beginnings including the wreck of the Sea Venture which inspired William Shakespeare s The Tempest the Algonquin chief Powhatan s plans to make the newcomers useful to him and the relationship between Pocahontas and English Captain John Smith are highlighted *The Granddaughters of Edward III* Kathryn Warner,2023-03-23 Edward III may be known for his restoration of English kingly authority after the disastrous and mysterious fall of his father Edward II and eventual demise of his mother Queen Isabella It was Edward III who arguably put England on the map as a military might This show of power and strength was not simply through developments in government success in warfare or the establishment of the Order of the Garter which fused ideals of chivalry and national identity to form camaraderie between king and peerage The expansion of England as a formidable European powerhouse was also achieved through the traditional lines of political marriages particularly those of the king of England s own granddaughters This is a joint biography of nine of those women who lived between 1355 and 1440 and their dramatic turbulent lives One was queen of Portugal and was the mother of the Illustrious Generation one married into the family of her parents deadly enemies and became queen of Castile one became pregnant by the king of England s half brother while married to someone else and her third husband was imprisoned for marrying her without permission one was widowed at about 24 when her husband was summarily beheaded by a mob and some years later bore an illegitimate daughter to an earl one saw her marriage annulled so that her husband could marry a Bohemian lady in waiting one was born illegitimate had sixteen children and was the grandmother of two kings of England **Biography Index** Bea Joseph,1961 A cumulative index to biographical material in books and magazines
