Immortality lives in the clay the sand and the artist s skillful hand **La Sorcière** J. Michelet,2016-05-05 A book written in the early 1800 s La Sorciere gives us an insight into thinking of that time period concerning where the power of witches comes from Although most contemporary witches will deny the presence of Satan or demons as their power source the thinking of the Christian church would probably agree with what this text says It is accepted that witches do not generally accept Satan as any kind of master or lord and each witch has his or her own theology that describes their beliefs This book however seeks to quash all those pagan ideas and gives credit to where the original authour thinks it is due **The Divine Comedy** Dante Alighieri,2010-09-30 The Divine Comedy marked nothing less than the arrival of vernacular Italian as a literary language and Dante s book is still considered Italy s greatest literary achievement Its highly idiomatic verse however has long bedeviled English language translators Burton Raffel whose translation of Don Quixote is acclaimed for making Cervantes more accessible to the modern generation in this new translation for Northwestern World Classics shows exciting new directions preserving both the lyricism of the original and its incisive meaning First time readers and longtime fans of the supreme poet alike will cherish this clear and lyrical rendering of one of world literature s masterpieces The Divine Comedy depicts the journey of Dante the pilgrim guided by the poet Virgil and the love of his life Beatrice as he moves through the stages of his life and world Raffel s single volume translation of Inferno Purgatorio and Paradiso follows the complete journey of a spiritual pilgrim who struggles from the depths of the inferno to the heights of paradise In the former Dante meets many of his political enemies suffering the punishments that match their crimes in life And in the ninth circle of Hell Lucifer the ultimate traitor is shown chewing on Brutus Cassius and Judas Iscariot three others who committed horrendous acts of treason in the classical and early Jewish worlds Dante s evocative description of Heaven is a sort of homecoming for the exiled poet Dante s epic poem challenged the political and religious hierarchy of his time and remains a powerful and universal expression of human desires strivings and shortcomings *Lulu* Mansfield Tracy Walworth,1863
