A Year's Journey From A Pastor's Perspective Vernon R Groce,2023-06-28 A few years ago I felt led by the Lord to write this book of devotions At the time my motivation was for the most part my family as I knew that we are living in perilous times and as we draw nearer to the coming of the Lord the times would not get better but worse But then I began to understand that the body of Christ the church and the individuals that make up the church are and will face issues that may be unique to this time in history But God s word is all inclusive and is relevant to all times and all situations As David said in Psalm 119 105 Thy word is a lamp unto my feet and a light unto my path In this book of devotions with God s help I wanted to speak about and deal with the issues that we face in life from a scriptural standpoint knowing that in God s word there is a direction strength encouragement and comfort And it is my prayer that the reader find peace and hope in the Lord and be motivated to draw high to him knowing that our hope is not in this world but in Jesus Christ **Daily Readings for a Year, on the Life of Our Lord and Saviour Jesus Christ** Peter Young (Rector of North Witham, Lincolnshire.),1861 *Sunday readings for a year: or, Two hundred and fifty scripture titles and symbols of Christ* James Large,1869 **Federal Energy Regulatory Commission Reports** United States. Federal Energy Regulatory Commission,2003-07 **A Year in Rhyme** Frances Henderson,2017-02-20 Have you ever tried to read the Bible cover to cover in a year If you don t have time for that you might start by reading the poem for that day as found in this little book Maybe that poem will so perk your curiosity that you will find yourself turning more and more often to Scripture to see what is behind the thought of the day s poem Or maybe some of the poems will give you a new perspective on a reading The author hopes you get as much out of reading this book

as she did in writing it *Sunday Readings for a Year ...* James Large,1869 [The One Year Father-Daughter Devotions](#)
 Jesse Florea,Leon C. Wirth,Bob Smithouser,2012-09-21 As girls enter their tween and teen years it s especially important for them to have an open and growing relationship with their father Unfortunately this is often the time when parental relationships are strained The One Year Father Daughter Devotions can foster communication and understanding and it s a wonderful way for a father to bond with his daughter during a crucial point in her life Each of the 365 devotions begins with an introductory story then daddy daughter time provides discussion questions activities or other practical applications of the daily lesson A What s the Word section gives a related Bible verse to help bring God s Word alive as father and daughter apply the Scripture to their lives Written by three fathers the devotions have a tone that is conversational and relatable the authors use everything from flavored potato chips to the Etch A Sketch game to share truths about God s Word and to help fathers and daughters relate to each other **The Experiment at Philadelphia:** Kurt B. Bakley,2015-04-21 The Philadelphia Experiment was Einsteins experiment in which he had not only discovered in 1943 the way to make things invisible and transport them at great speeds but also positively proven scientifically physically and spiritually that God Almighty exists He had literally discovered God That question Is there a God thats been going through peoples minds for so long discussed on the street corner talked about on the porch on a hot summers night is now a proven fact **Sabbath Lessons for a Year** Samuel Martin,1854 *A Year Amongst the Persians* Edward Granville Browne,2012-03-29 In this volume British orientalist Edward Granville Browne 1862 1926 recounts his impressions of Persian culture **End Time Signs** Kurt B. Bakley,2012-07-27 Will Israel and the U S be destroyed or partially destroyed in 2012 2019 or 2026 2030 and beyond and Muslims Catholics and communism take over most of the world Were there strange things going around the sun the moon changing degrees and phases stars that aren t where there suppose to be and the magnetic poles changing mostly reported secretly in 2001 2011 Did NASA or scientists and astronomers brush the pictures of them away so not to scare people Did the Bible Code predict strange behavior of the moon in 2011 Will a great tidal wave hit the U S East Coast in 2012 2019 and Yellowstone Park super volcano erupt or a comet or asteroid hits the earth or Ocean in 2026 2030 and utterly destroy the entire United States if it still around after the war of 2012 2019 Will the Muslims communism and Catholics persecute Christians Americans and Jews all over the world bringing them before Kings and have them sent to prisons and torture and killed if they don t deny Christ and convert to Islam Will Muslims and people all over the world begin to mock and scoff at Christians and the Bible because Israel and the U S are destroyed and no Rapture or end or Second Coming of Christ happened Several of the Bible prophecies predict God will not make a full end of the U S Israel and the world at this time and pockets of people and nations may or may not survive God may save the U S Israel and the world if the people repent and turn from their sins and begin to humble themselves and heed the harbingers But if they don t then these events may start to happen This book was written by June 12 2012
