CustomerCentric Selling, Second Edition Michael T. Bosworth, John R. Holland, Frank Visgatis, 2010-01-08

The Web has changed the game for your customers and therefore for you Now CustomerCentricSelling already recognized as one of the premier methodologies for managing the buyer seller relationship helps you level the playing field so you can reach clients when they are ready to buy and create a superior customer experience Your business and its people need to be CustomerCentric willing and able to identify and serve customers needs in a world where competition waits just a mouse click away Traditional wisdom has long held that selling means convincing and persuading buyers But today s buyers no longer want or need to be sold in traditional ways CustomerCentric Selling gives you mastery of the crucial eight aspects of communicating with today s clients to achieve optimal results Having conversations instead of making presentations Asking relevant questions instead of offering opinions Focusing on solutions and not only relationships Targeting business people instead of gravitating toward users Relating product usage instead of relying on features Competing to win not just to stay busy Closing on the buyer s timeline instead of yours Empowering buyers instead of trying to sell them What s more CustomerCentric Selling teaches and reinforces key tactics that will make the most of your organization s resources Perhaps you feel you don t have the smartest internal systems in place to ensure an ideal workflow Perhaps as is all too common you lack identifiable systems almost entirely From the basics and beyond of strategic budgeting and negotiation to assessing and

developing the skills of your sales force you ll learn how to make sure that each step your business takes is the right one

CustomerCentric Selling Michael T. Bosworth, John R. Holland, 2003-12-09 FROM THE BESTSELLING AUTHOR OF SOLUTION SELLING The program that is revolutionizing high end selling by showing companies how to clone their top sales performers CEOs would pay anything to replicate their best salespeople CustomerCentric Selling™ explains instead how to replicate their skills It details a repeatable scalable and transferable sales process that formats the questions that superior salespeople ask and then uses the results to influence and enhance the words and behaviors of their colleagues CustomerCentric Selling™ shows salespersons how to differentiate themselves and their offerings by appealing to customer needs steering away from making one way presentations and toward having meaningful and goal oriented conversations Currently offered in workshops and seminars around the world its program provides step by step directions to help sales professionals Transform sales calls into interactive conversations Position their offerings in relation to buyer needs Facilitate a more consistent customer experience Achieve shorter sales cycles Integrate sales and marketing into a cooperative cross functional team CustomerCentric Selling™ details a trademarked sales process that incorporates dozens of elements skills and sequences into a coherent and proven methodology By teaching a specific yet innovative model for selling big ticket often intangible products and services it shows sales professionals and executives how to make the seller buyer relationship far less adversarial and take selling to a higher level

The CustomerCentric Selling® Field Guide to Prospecting and Business Development: Techniques, Tools, and Exercises to Win More Business Gary Walker, 2013-04-19 The Proven Approach to Prospecting for the Long Sales Cycle It s a fact 92 percent of C level executives never respond to e mail blasts or cold calls so why would you continue to rely on these approaches to generate new business If you re like most sales professionals it s time to transform your selling method by listening rather than talking and by asking questions rather than stating opinions In short you need to be customer centric This revolutionary new guide will show you how The CustomerCentric Selling Field Guide to Prospecting and Business Development gives you the tools and methods necessary to refocus your energy from blindly delivering sales pitches to developing lasting relationships with profitable clients This clear concise and proven effective field guide covers The six steps to prospecting success Calculating pipeline strength and requirements Successfully engaging decision makers at the point of need Ways to develop and deliver a sales ready message How to leverage relationships through social networking The CustomerCentric Selling Field Guide to Prospecting and Business Development provides the tools you need to improve prospecting and business development effectiveness Most important it helps you increase productivity win more business and develop lasting relationships with your ideal customers

Chain of Blame Paul Muolo, Mathew Padilla, 2010-02-02 An updated and revised look at the truth behind America s housing and mortgage bubbles In the summer of 2007 the subprime empire that Wall Street had built all came crashing down On average fifty lenders a month were going bust and the people responsible for the crisis included not just

unregulated loan brokers and con artists but also investment bankers and home loan institutions traditionally perceived as completely trustworthy Chain of Blame chronicles this incredible disaster with a specific focus on the players who participated in such a fundamentally flawed fiasco In it authors Paul Muolo and Mathew Padilla reveal the truth behind how this crisis occurred including what individuals and institutions were doing during this critical time and who is ultimately responsible for what happened Discusses the latest revelations in the housing and mortgage crisis including the SEC s charging of Angelo Mozilo Two well regarded financial journalists familiar with the events that have taken place chronicle the crisis in detail showing what happened as well as what lies ahead Discusses how the world s largest investment banks homeowners lenders credit rating agencies underwriters and investors all became entangled in the subprime mess Intriguing and informative Chain of Blame is a compelling story of greed and avarice one in which many are responsible but few are willing to admit their mistakes
