Rivera,2022-08-25 Someone reading this may imagine that writing a book is a glorious event For me it s like having a baby complete with restless nights soul searching morning sickness and birth pangs I agonize over every word I write often reliving the pain The difference of course is that once I have given birth to my book this baby gets no free passes If my book is an ugly baby there will be those who will bluntly tell me that without trying to spare my feelings My writing is occasionally bombastic There I admit it However the truth is the truth whether we shout it or whisper it or whether we sing it speak it or merely live it A fine meal may include several courses Sample them all before critiquing the entire meal or closing down the restaurant I ask you to approach my book on the same basis 21st Century Leper will take you on a roller coaster ride of emotional highs and lows At least that s the way I feel every time I read my own books However if you stop and isolate one slice at a time you may run the risk of missing the big picture I suggest that you read the entire book in as few sittings as possible But for the sake of those who may read in very short bursts separated by longer periods of nonreading as daily life may require I will lay bare my heart here and now on the subject of why I wrote this book in the first place Here s the big picture or the entire dining experience if you happen to prefer that metaphor **It's Not About You--It's About God**

H. Spurgeon, Volume 16* Spurgeon, Charles H., 2015-02-25 Volume 16 Sermons 788 847 Charles Spurgeon 19 June 1834 31 January 1892 is one of the church's most famous preachers and Christianity's foremost prolific writers Called the Prince of Preachers he was one of England's most notable ministers for most of the second half of the nineteenth century and he still remains highly influential among Christians of different denominations today His sermons have spread all over the world and his many printed works have been cherished classics for decades In his lifetime Spurgeon preached to more than 10 million people often up to ten times each week He was the pastor of the congregation of the New Park Street Chapel later the Metropolitan Tabernacle in London for 38 years He was an inexhaustible author of various kinds of works including sermons commentaries an autobiography as well as books on prayer devotionals magazines poetry hymns and more Spurgeon was known to produce powerful sermons of penetrating thought and divine inspiration and his oratory and writing skills held his audiences spellbound Many Christians have discovered Spurgeon's messages to be among the best in Christian literature Edward Walford wrote in Old and New London Volume 6 1878 quoting an article from the Times regarding one of Spurgeon's meetings at Surrey Fancy a congregation consisting of 10 000 souls streaming into the hall mounting the galleries humming buzzing and swarming a mighty hive of bees eager to secure at first the best places and at last any place at all After waiting more than half an hour for if you wish to have a seat you must be there at least that space of time in advance Mr Spurgeon ascended his tribune To the hum and rush and trampling of men succeeded a low concentrated thrill and murmur of devotion which seemed to run at once like an electric current through the breast of every one present and by this magnetic chain the preacher held us fast bound for about two hours It is not my purpose to give a summary of his discourse It is enough to say of his voice that its power and volume are sufficient to reach every one in that vast assembly of his language that it is neither high flown nor homely of his style that it is at times familiar at times declamatory but always happy and often eloquent of his doctrine that neither the Calvinist nor the Baptist appears in the forefront of the battle which is waged by Mr Spurgeon with relentless animosity and with Gospel weapons against irreligion cant hypocrisy pride and those secret bosom sins which so

easily beset a man in daily life and to sum up all in a word it is enough to say of the man himself that he impresses you with a perfect conviction of his sincerity More than a hundred years after his death Charles Spurgeon s legacy continues to effectively inspire the church around the world For this reason Delmarva Publications has chosen to republish the complete works of Charles Spurgeon **Singing the Faith: Words edition** Methodist Church,2013-08-10 Seven years in development Singing the Faith is authorised by the Methodist Conference and replaces Hymns and Psalms published almost 30 years ago Containing the classic best loved hymns of the Christian tradition it also incorporates many bold and exciting elements including hymns songs and liturgical chants from the world church **From Power to Purpose** Sam Brownback,2009-03-15 A sense of mission for America a heart for God Senator Sam Brownback grew up in the heartland in a family of hard working Kansas farmers Instilled from an early age with a strong work ethic and a fierce sense of independence he continues to be guided by Christian values and beliefs strength courage character common sense faith and a keen sense of justice and moral responsibility From Power to Purpose is the firsthand account of his remarkable journey from farm boy to U S Senator and in 2008 the Republican candidate for the White House In honest straightforward prose he recounts his trials struggles and lessons learned on the way to becoming one of our leading voices for bleeding heart conservatism It s a proactive response to some of our country s most vexing problems It s a message of hope and fresh ideas for a world that needs both Bestsellers in Nineteenth-Century America Paul C.
